1980 SEASON OUTLOOK

In this day and age there are few things that you can count on, but almost one certain fact is that San Jose State University will field one of the nation's top track and field teams.

Head Coach Ernie Bullard enters his 10th season at SJSU with a team that could, no make that should, return to the top of the Pacific Coast Athletic Association (PCAA) and could pull some surprises at the NCAA Championships, June 5-7, at the University of Texas at Austin.

The Spartans return 10 lettermen from a team that finished 10th in the nation in 1979 with a perfect 6-0 dual meet record, the second undefeated campaign in the last three years.

SPRINTS/HURDLES

This should be a key area for SJSU in 1980. Coach Livers has assembled the best group of sprinters since the "Speed City" era of the late 1960's. The one major weakness will be the quarter-mile, where junior college transfers James Davis and Tim Foster, along with returner Phil Williams will have to do the job.

Freshman Ken Thomas returns, the school freshman 100 and 200 meter record holder, and footballer Eric Hurt, who finished fifth in last year's PCAA Championships, and anchored the 4 x 100 meter relay team that finished second. Added to that duo are transfers Willie Jackson, JC State 100 and 200 meter champion, Ernest Lewis, 1978 JC 200 meter champ and Foster, third in the '79 JC 100 meter dash.

SPRINTS	100	200	400
James Davis, Sr.	-----	21.5	47.6
Tim Foster, Jr.	10.3	20.9	46.9
Eric Hurt, Sr.	10.4	-----	-----
Willie Jackson, Jr.	10.2	20.2	47.6
Ernest Lewis, Jr.	10.1	20.4	47.0
Ken Thomas, So.	10.2	20.7	-----
Phil Williams, Sr.	10.2	20.9	48.0

HURDLES

With the decision of Dedy Cooper not to return for his senior year, the hurdle events are wide open. This is an area of inexperience with only Jerome Bearden and Gordon Bliss having any college competition under them. Youth prevails here and only time will tell how they develop.

HURDLES	110	120	400
Jerome Bearden, Jr.	14.2	14.2	53.5
Gordon Bliss, Sr.	14.4	14.4	55.8
Mike Hawthorne, Fr.	-----	13.9 (hs)	-----
Steve Sykes, Fr.		14.2 (hs)	38.2 (330 LH)

DISTANCES

This could very well be the key to the success of this year's team, if the distance runners come through, this team will be hard to beat. A young group (no seniors), they are a hard, determined bunch . . . Top returners are Stan Ross, Dan Harvey and Tim Gruber. Harvey redshirted the 1979 season while Ross and Gruber are lettermen. JC transfers Terry Johnson, Eddie Wright and Joe Salazar will play a big part.

MIDDLE DISTANCES	800	1500
Tom Hussey, So.	-----	3:51.4
Terry Johnson, Jr.	1:52.3	-----
Stan Ross, Jr.	1:51.3	3:46.3
Eddie Wright, Jr.	1:51.3	-----

LONG DISTANCES	STEEPLE	5000	10,000
Terry Boynton, So.	9:47.0	-----	-----
Tim Gruber, So.	-----	14:43.0	31:32
Dan Harvey, Jr.	-----	14:22.6	-----
Joe Salazar, Jr.	9:23.0	15:13.0	31:26

JUMPS

Some of the teams top athletes are found in this area, an area where SJSU should be strong, especially in the vertical jumps. The Spartans possess four seven footers in the high jump; letterman Thurlis Gibbs and Sly Pritchett and transfers Willie Briscoe and Joel Wyrick. Two seventeen foot pole vaulters in Kim Black, second in last year's PCAA Championships and Switzerland's top jumper Felix Bohni. Freshman record holder in the long jump Essodina Atchade returns and will be backed up by transfer Harry Walker and triple jumper Craig Roberts. Roberts will head the hop, skip and jump with high jumper Wyrick as his backup.

JUMPS	HJ	LJ	PV	TJ
Essodina Atchade, So.	-----	26-5½	-----	50-10¾

Harry Walker, So.	-----	23-8	-----	-----

WEIGHTS

Another area where the Spartans should do well is the weights. This area highlights some potential NCAA points. Curt Ransford, sixth in the 1979 NCAA's in the javelin returns as does shot putter Bob Feuerbach, who placed fourth in the '78 NCAA's. Kevin Brady, third in the '79 PCAA's will backup Feuerbach, with 1979 State High School shot runner-up Jim Spillers and transfer Rob Suelflohn the top newcomers. Red-shirts Paul Bishop, Feuerbach and Brady will handle the discus event. Basketball stand-out Mikki Jackson will backup Ransford in the javelin. The hammer features people of limited experience, but show potential for improvement. Bob Cook and Feuerbach are the only experienced throwers. Brady and Pete Angelidakis may try the event.

DR. GAIL FULLERTON—PRESIDENT

A person who has endeared herself towards making San Jose State University strong both athletically as well as academically, Dr. Gail Fullerton has accomplished plenty since taking over as President in September 1978.

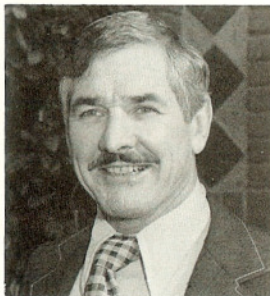

Having succeeded John Bunzel as President, Dr. Fullerton has spearheaded the groundbreaking and construction of a new library, the hiring of football coach Jack Elway, Basketball coach Bill Berry and Athletic Director Dave Adams. She was

also instrumental in getting the long-awaited Spartan Stadium expansion campaign underway last December.

A faculty member at SJSU since 1963, Dr. Fullerton has moved up through the ranks in the University to her position that she holds today. She was Chairperson of the Sociology department and has also served as Dean of Graduate Studies & Research.

Dr. Fullerton, a full Professor of Sociology, was Executive Vice-President at SJSU during Bunzel's reign and is on the boards of several executive committees outside the San Jose State spectrum.

A graduate of the University of Nebraska, where she received her B.S. in Sociology. She received her Ph.D. in Sociology from the University of Maine. Dr. Fullerton and her husband Stanley live in Santa Cruz, CA. They have two children, both who live out of state.

DAVE ADAMS—ATHLETIC DIRECTOR

Dave Adams has paid his dues.

After 21 years of coaching, and two years as the University of Pittsburgh Assistant Athletic Director for Men's Sports, Adams was named Athletic Director at San Jose State University this past December.

A tireless worker, Adam brings a hard-nosed, belly-to-belly style to his new job at San Jose—a style that first surfaced as a highly successful collegiate wrestler at Penn State and has perpetuated itself over the years.

Adams first appeared on the athletic scene as a scholastic wrestler at Bellefonte (PA) High School,

where he was a two-time State Champion, co-captain of his team, and compiled a 67-4 record. Following his graduation, he matriculated at Penn State, where he was a three-year starter. A two-time All-America, he was the NCAA runner-up at 147 pounds as a junior and won the Eastern Wrestling Championship at 147 as a senior.

In the classroom, Adams earned a Bachelor of Science Degree in 1957 and went on to his Masters of Education the following year.

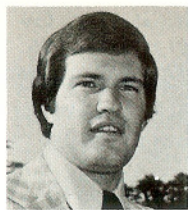

He then began his coaching career, as head wrestling coach and assistant football coach, at Bolling Springs (PA) High School in 1958. The following year he returned to his alma mater as an assistant wrestling coach. He remained at Penn State until 1964, when he moved to Navy as the Plebe wrestling coach under the legendary Ed Perry. During his three years at Navy, Adams' Navy Plebes compiled a 21-1 record—including two undefeated seasons.

In 1967, Adams took over the Pitt wrestling program, a program that had slipped from its glory days of the late fifties, and returned it to its rightful place as one of the most respected wrestling programs in the East.

In his 12 years at the helm, Adams compiled a 87-64-1 record for a .601 career winning percentage. Under his tutelage, five Eastern Wrestling League and five Eastern Intercollegiate Wrestling Association champions developed. The 13 wins in 1977-78 were the most ever in a single season in Pitt history.

Adams was named Rookie Coach-of-the-Year by the Amateur Wrestling News in 1967 and was a member of the U.S. Wrestling Federation. Presently, he is Secretary and Editor of the Wrestling Rules Committee. He was also very instrumental in the formation of the Eastern Wrestling League, by far the top wrestling league in the East.

Adams, 44, and his wife Barbara have three children—Melinda (Mrs. James Irwin), 25; Lisa (Mrs. Wayne Richlina), 24, and David Jr. 15.

JON CROSBY—ASSOCIATE ATHLETIC DIRECTOR

When Bob Murphy stepped down from his Athletic Directorship last year, it was only natural that Jon Crosby be the man to replace him. Working on an interim basis until Dave Adams was hired, "Cros" kept things running in the department until Adams' arrival in February.

A former baseball player at Stanford, where he earned his B.S. in Economics in 1975, Crosby also holds a Master's in Sports Administration from Ohio University. He has worked in many areas in athletic administration including publicity, budget, scheduling and development.

It was under Crosby's direction that the go-ahead for the move to Civic Auditorium for the basketball team was achieved. Crosby also was involved in the Spartan Stadium expansion program.

Crosby, who's been at San Jose State since 1977, is a native of Bakersfield, CA and attended Bakersfield High School. He has also dabbled in coaching, as he was Junior Varsity baseball coach at Stanford during his senior year at The Farm.

The 26 year-old Crosby and his wife Cathy, live in Willow Glen, CA.

FRANK FANTOZZI—BUSINESS MANAGER

A Bay Area native who's been involved with athletics all his life, Frank Fantozzi has been handling the books for the men's and women's athletic department's since 1977.

"The Fonz" is responsible for handling travel, budget allocations, athletic financial aid and anything that has to do with spending within the department. He also is involved with game management for football during that season.

A 1970 graduate of SJSU, Fantozzi holds his degree in Business Administration. Fantozzi previously worked as Assistant Controller for Owens Illinois Inc. He held that job prior to coming to SJSU.

A graduate of Bellarmine Prep, the 33 year-old Fantozzi, his wife Joanne and daughters Christina, 7, and Catherine, 4, live in San Jose.

STEVE CARP—SPORTS INFORMATION DIRECTOR

The person responsible for servicing the media and the public's needs, Steve Carp brings a diversified background to the SJSU Sports Information Office. He had worked in the SJSU Sports Information Office as a student assistant in 1978.

A 1979 SJSU graduate with a B.A. in journalism, Carp is responsible for putting together all athletic brochures and programs. He has worked in newspapers, radio and public relations.

Carp transferred to SJSU from Manhattan (NY) College where he was Sports Editor of the Quadrangle and News Director at WRCM radio. He also worked on local papers, covering the many pro teams in New York. While at SJSU, he was Associate Sports Editor at the Spartan Daily and he has also worked for the San Jose Earthquakes as a PR intern.

Prior to taking the SJSU Sports Information job, Steve was covering the Spartans for the Peninsula Times Tribune in Palo Alto. He also covered the Golden State Warriors for that paper.

SAN JOSE STATE UNIVERSITY

Situated in the heart of San Jose's thriving downtown commercial district, **San Jose State University** continues to provide the same full-spectrum of quality education as it has for more than 123 years to Northern California and Bay Area residents.

With a current enrollment of 26,500, representing students from every state in the U.S. and more than 40 foreign countries, San Jose State is one of the largest of 19 campuses in **The California State University and Colleges** system. The 134-acre campus is composed of eight distinct schools and 70 different departments, staffed by an outstanding faculty of 1,900, 75 percent of whom hold doctoral degrees.

San Jose State, an integral part of the fastest-growing metropolitan area in the United States, has kept pace with San Jose's phenomenal expansion. Among the University's nationally ranked schools, programs, and departments are business, Engineering, Health Sciences, Industrial Technology, Art, Music, Journalism, and Nuclear Science. The Graduate Meteorology Facility and Occupational Therapy programs are unique in the California State University system.

Equally impressive are San Jose State's outstanding athletic programs, many of which have gained national attention. Under the leadership of **Men's Athletic Director Dave Adams** and **Women's Athletic Director Joyce Malone**, the University currently fields 24 teams in 16 sports.

San Jose State, now covering 20 city blocks, plus a south campus, aeronautics facility and Moss Landing Marine Laboratories, **began in 1857** as **Minn's Evening Normal School** in San Francisco. SJSU is the oldest public-supported institution of higher learning in California.

In **1862**, the University was renamed **California State Normal School**. Because of San Francisco's rough-and-tumble environment, the school was moved south to San Jose in **1871** and became **San Jose State Normal School**.

The first campus buildings at San Jose were destroyed by fire in **1880**. Subsequent buildings were ruined in the **1906** earthquake. The cornerstone of the fourth building, today's famed ivy-covered Tower Hall, was laid in Washington Square on **June 23, 1909**.

In **1921**, the normal schools of California became teachers colleges. In **1923**, the school awarded its first B.A. degree in teaching. Today, SJSU still trains more teachers than any other California institution.

In **1935**, the institution became **San Jose State College**. In **1971**, the school was granted **university status**. SJSU today offers undergraduate degrees in 154 disciplines and master's degrees in 95 fields. It also offers accredited professional programs in 20 fields, more than any other campus in the CSUC system.

1980 SPARTAN SPIKESTERS

The men and women behind the scenes who really make the San Jose State track and field program go are a group of devoted track fans called the Spartan Spikesters.

Comprised of SJSU alumni, local businessmen and others who love the sport, the Spikesters run virtually every facet of home meets.

Their knowledge and love of track and field events have been instrumental in making San Jose State University world renowned in the sport.
