Prep Ramblings

by Keith Conning

CONTRIBUTIONS APPRECIATED: - Please send results & stories of high school athletes and competitions directly to me: Keith Conning, 2235 Browning St., Berkeley, CA 94702 (Ph. 415/849-4408).

From the Editor: - As I stated in last issue, we will be drastically cutting back on our prep coverage in the future and concentrating more on "out-of-school" competitions. We simply cannot afford (nor do I have the time) to continue covering prep results in such depth. The fact that I didn't get any violent objections to this change probably indicates that maybe not as many of our readers follow prep track as we had originally thought. This does not mean we'll completely eliminate it, but as you can see, we're only listing the CIF State Meet results in this issue, and then concentrating mostly on NorCal finishers. Sorry, but it's simply a matter of "survival". In next issue we hope to list the "top 10" seasonal bests for both boys and girls, assuming Keith is compiling such a list again this year.

TRACK AND FIELD RESULTS

Editorial Note: - As we mentioned last issue, we are cutting back a lot in our coverage of track & field, at least the college coverage, which is usually covered pretty well in local newspapers. We'd like to have statistical lists for "open" (out-of-school) athletes, but of course we need volunteer(s) to do this. If anyone out there is interested in compiling such a list for the 1980 track season (thru at least the Olympic Trials), please let us know...ideally we'd like to go 10-deep in each event.
