

TRACK & FIELD Update

CAL STATE HAYWARD... WOMEN'S TRACK & FIELD... BULLETIN no. 5... Mar. 24, 1982

What started out to be a balmy and slightly overcast day, turned out to be a cool (cold?), breezy, and very cloudy afternoon. What with our experimenting with different combinations and staggering of assignments with our runners, we came up on the short end of the dual score against a fairly well balanced Div. I (II in AIAW) Boise State team. Despite these negatives, we had some real positives.

- > Gwen WARD made her return to the track scene a successful one....getting through the 100 meters in good style.
- > Tammie SULLIVAN ran her first furlong out of the blocks this season and looked strong for 100 meters of it.
- > Freshman Diane OSWALT had another fine day, plunking three of her tosses over the 148 foot mark.
- > Kathy HALPIN ran an excellent first-ever 400 meter hurdles not-with-standing a weak no. 1, no. 5 and doubly-weak no. 6 for a :65.0 clocking....
- > Stefani STOUTT exhibited some of the old-time spunk and go-get-em-ness in the 1500....good to see Stef....
- > Some of that spunk must have worn off on freshman Gari FURNESS in the 800...she is learning...fast.
- > GLENDA FORD established a NEW SCHOOL RECORD and PR with a terrific 157-0 effort...with 3 others over 151 (no. 2 was 156+) and a foot fault of over 150 as well. FANTASTIC....
