Dutch Rowher Honorary Referee

Dutch Rowher has been selected to serve as honorary referee for the 1982 C.I.F. State Track and Field Championships. This honor recognizes many years of dedicated and exemplary service to inter-scholastic athletics, both locally and state-wide. Dutch, a long time track coach and athletic director at Woodland High School, served as meet director of the 1973 C.I.F. State Meet when it was held in Woodland. He is the current secretary-treasurer of the California State Athletic Director's Association. He has been active in that organization for many years.

Mr. Rowher served as a representative to the Sacramento Board of Managers for many years and also served as a delegate to the Federated Council at the state level. During his years as a coach he produced several outstanding teams and individuals, probably the most famous being Olympic quarter miler Jack Yerman. Dutch has retired from active coaching and teaching, but his impact is still felt in local circles and he continues to be a tower of inspiration and strength. Many thanks are in order for all the years of service and his many contributions to high school athletics.

DUTCH ROWHER

JOHN SANDERS
CIF President

Welcome

Welcome to the California Interscholastic Federation State Championships. Thank you for your support of prep sports – I hope this will be an enjoyable experience for each of you.

The CIF is proud to host this event; the culmination of hard training and successful competition for many young students. Best wishes to each participant and coach.

THE CIF: Doing the Job for Prep Sports Since 1914

In 1914, as high school athletic teams began crossing district lines to compete with neighboring schools, the CIF was established to provide consistency in sports rules and a safe, rewarding environment for young California athletes. Since that beginning, with fewer than 20,000 athletes, the organization has grown to become the largest youth agency in the state, serving over 500,000 young student-athletes each year.

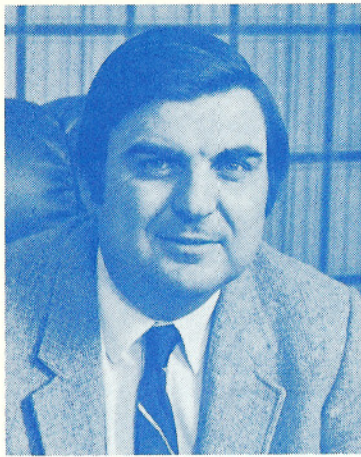

During dynamic growth years, the CIF saw participation in high school sports double (for both boys and girls) between 1965-1975, and, although since 1978 some leveling-off has occurred in numbers of students participating, indications are that such a trend is due more to a lack of available school programs rather than to a lack of interest or desire on the students' part.

Few Californians realize that the CIF, the sole administrative body of interscholastic athletics, is an independent organization that has been carefully structured to provide needed services to the youth of the state without placing unfair burdens on the public education system. Athletic programs conducted in all 1200 secondary-schools in the state do not exist simply because students desire to participate in sports. The CIF utilizes the volunteer services of over 10,000 persons who are charged with the task of ensuring effective athletic programs for all of the public, private, and parochial high schools of the state.

As a result of effective planning, sound program administration, and a determination to support the philosophy that all student-athletes in our state should be provided with equal participation opportunities, the CIF has propelled California into uncontested leadership in the nurturing of outstanding athletes. Former and current California high school athletes hold more national records than do students from any other state – and our youngsters continue to be highly recruited by top-notch universities across the country. Many of the names are legend – Amy Alcott, Rick Monday, Bill Walton, Pat Haden, John McKay, Scott McGregor, Ron Cuccia, Jill Sterkel, Sherri Howard; all former CIF athletes, all outstanding men and women of whom Californians can be proud.

Although the CIF has been serving California youth for nearly 70 years and can boast of having over four million "alumni," many are unaware of the diversity of CIF administrative responsibility. Day-to-day activities of the CIF state office in Fullerton include enforcing regulations, establishing state calendars of events, arranging and supervising state championships in four sports, maintaining individual and team sports records, providing publicity to the media, publishing the *State News*, and maintaining legal and insurance services which ensure the very existence of prep sports. In addition, 10 section commissioners throughout the state maintain full-time schedules to ensure that prep athletic events in their areas are operated effectively, safely, and consistently.

The support of the California public has been responsible for the success and expansion of California athletic programs for 68 years. With the continued cooperation and dedication of school superintendents, principals, and athletic directors, as well as the keen interest of over one-half million students and their families each year, the future of prep sports would appear to be bright and healthy. The CIF urges you to lend your support to our young student-athletes by attending high school sporting events in your community on a regular basis. The CIF welcomes you to this championship event; a showcase of some of our finest young California athletes – our nation's future leaders.

THOMAS E. BYRNES
State CIF Commissioner

FROM THE STATE CIF OFFICE

The State CIF Federated Council welcomes participants and spectators to the State CIF Championships.

The caliber of interscholastic competition in California is second to none in the United States, and this outstanding activity should set new standards of excellence in the field of high-school athletics.

MARGARET R. DAVIS
Administrative Assistant

The *California Interscholastic Federation* is devoted to the promotion and betterment of athletics in California high schools. Its purpose has been to stimulate uniform procedures in the conduct of athletic contests, to promote friendly relationships and sportsmanship between schools and to ensure that interscholastic athletics will continue to contribute to the educational curriculum of our schools.

COMMISSIONER'S MESSAGE

CLARK C. COOVER
Commissioner

It is with a great deal of pleasure that the C.I.F. Sac-Joaquin Section has the privilege of hosting the 1982 State C.I.F. Boys' and Girls' Track Meet on Friday and Saturday, June 4 and 5 at Hughes Stadium in Sacramento. We feel honored that one of the finest track facilities in the nation will be the scene of this excellent event. Hughes Stadium has a new all-weather track and should provide excellent times in all running events. Hughes Stadium was the site of the C.I.F. State Track Meet first in 1950 and then again in 1979. The 1982 event will be even more significant since this will be the last State track meet held under the present format. Beginning in 1983, the format calls for a Northern Regional and a Southern Regional, which will be two day meets with qualifiers advancing to the State Meet, a one day affair.

It is also an honor for the C.I.F. Sac-Joaquin Section to have E. "Dutch" Rowher selected as the State Meet Honorary Referee. "Dutch" served as our Section Track chairman for many years and is currently Secretary/Treasurer for the California State Athletic Directors' Association.

Many of the fine athletes that perform here will undoubtedly be future athlete greats, including potential world record holders and Olympic Games champions. In 1984, the state C.I.F. Track Meet will be held in Los Angeles, just prior to the Olympic Games.

On behalf of the Board of Managers, Principals, coaches, and students of the C.I.F. Sac-Joaquin Section and Meet Directors, Al Hooker and Lindy Jack and their staffs, it is my personal desire to extend a warm welcome to all the visiting athletes and spectators.

Sincerely,

Clarke C. Coover

C.I.F. Men's Honorary Coaches

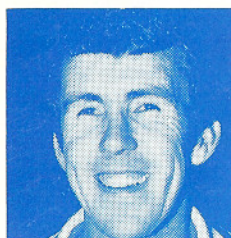

**JIM
WREN**
Central
Section

Jim Wren has been the cross country coach at West High School in Bakersfield for 17 years. He has coached his teams to 7 league titles and 3 valley championships. During his 15 years as track coach, he has compiled a 62-18 dual meet record and has had one valley championship team. Over the years he has coached several nationally ranked athletes. Jim interrupted his high school coaching for 2 years (1973 and 1974) to serve as assistant track coach at Cal State Bakersfield. For several years Jim was the league representative to the CIF for both cross country and track.

**FRED
PETERSON**
Central
Section

Fred Petersen, has been the head Track and Field coach for both boys and girls at West Torrance for ten years. His tremendous dedication and hard work has been very successful. He has accumulated an exceptional record with his girls team. They have a dual meet record of 148-4 and are the perennial Bay League Champions (the girls JV team has never lost a dual meet!). His boys teams are the defending Bay League Co-Champions. His success stems from his love for his athletes which produces a mutual return in effort and dedication from each athlete. His coaching techniques are recognized and copied by his peers. His summer AAU team was the Junior National Champions.

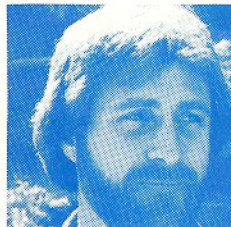

**DOUG
JOHNSON**
North Coast
Section

Doug Johnson has made a substantial contribution to high school track and field in the North Coast Section. His Petaluma High School Trojan Track teams have won three of the last four North Bay League Boys Championships and his Girls' teams captured the NBL crown during two of the last three years. The Trojan Boys teams have won their last 20 dual meets and have won the last two North Coast Section Class 3A Championships. The depth of his teams is demonstrated by his nationally rated distance medley, 2 mile, and 4 mile relay teams. Petaluma's boys cross country teams have won the North Bay League title during 8 of the last 11 years, including five individual champions. The Trojan harriers are undefeated over the last four and a half years. Coach Doug Johnson has been an outstanding coach, an excellent championship meet director, and a major force in NCS high school Track and Field.

**ROY
JAE**
Los Angeles
Section

Roy Jae of Reseda was lost to cancer on Sunday, March 28, 1982. Even while Coach Jae knew he didn't have much longer to live, he devoted the last three months of his life to Reseda's track team. Coach Jae started coaching at Eagle Rock High School in 1953 then came to Reseda in 1959 to coach varsity football. After twenty seasons of football Coach Jae decided to branch out. Not only did he coach track and cross-country teams, he also coached gymnastics in the early sixties. In his football days, one of his best years was in 1959. While coaching football, Coach Jae turned out a couple of athletes who went pro. One thing Coach Jae believed in was that winning isn't everything. A former Reseda student said, "Coach Jae taught me how to try my best and always give one hundred percent. He never said you have to win, but said to give it your all and if you win, great." Coach Jae was a very determined man. He loved coaching and liked the students at Reseda very much.

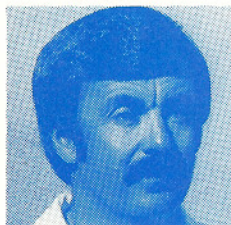

**MICHAEL
MOYNAHAN**
Northern
Section

Michael Moynahan has been the head cross country and track coach at Enterprise High School for 12 years, coaching both the boys and girls in these sports during this period of time. During the time his boys have won the cross country title 4 times and the girls 5 times while also capturing 2 North Section titles. As the head track coach his boys track teams have won the league championship in 1971, 1975, 1976, 1977, 1978, 1979 and 1980 — while taking no less than 2nd in the other years. In three of those years his teams captured the N.S.C.I.F. Track Championship title and he has sent a total of 31 athletes in 11 different events to the C.I.F. 1981-1982 SCHOLAR/ATHLETES OF THE YEAR

It is with great pride that the state CIF and AirCal present the winners and finalists in the scholarship competition for the high-school Scholar/Athlete Of The Year. When AirCal generously joined with the CIF to establish this scholarship of \$500 per winner, it was agreed that the one young woman and one young man selected would be those two who had best attained their full potential as student and athlete and whose high-school records indicated a bright, productive future.

To qualify as a candidate, the student was required to have maintained a 3.50 overall gradepoint average, have played varsity-level sports in the state of California for at least two years, have a record of good citizenship, and possess a high degree of personal integrity. He/she was also required to submit recommendations from a coach, an athletic director, and a principal, and a brief essay on "The Value of Participation In High-School Athletics."

We at the state CIF join with AirCal in saluting these outstanding young men and women of California and wish them every success in their continuing pursuit of academic and athletic excellence.

WE'RE WINNING THE WEST WITH STYLE.

AirCal is spreading its wings in the West. So now we make connections with more airlines at more airports than ever before. And naturally, we do it in AirCal style.

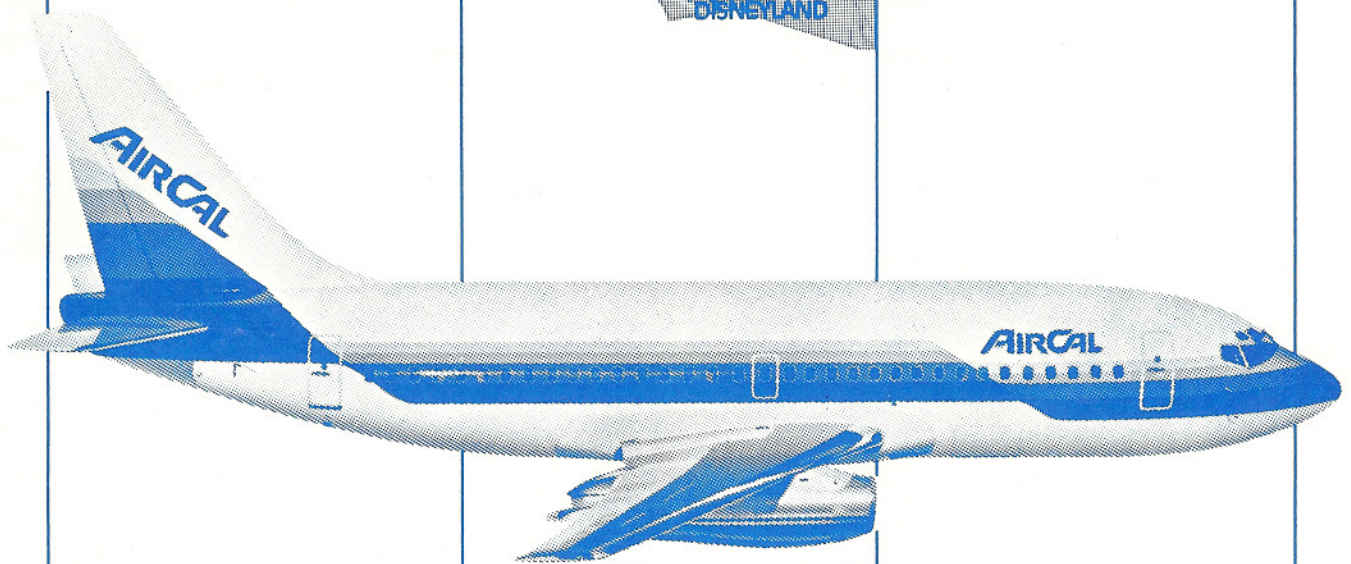

That means one-stop check in, seat selection before boarding, and money-saving Low-Cal fares. We also

have a new, expanded schedule for more convenient interline connections.

And AirCal passengers always fly in style on our all-jet fleet of Boeing 737s and McDonnell Douglas DC-9 Super 80s.

AirCal. It's style as big and friendly as the whole West.

State Meet Notes

Jefferson High School of Los Angeles has won more state meet team titles than any other school in California. The Democrats have won eight team titles and tied for another. Manual Arts of Los Angeles is a close second with seven titles and one tie. Jefferson also holds a record by winning four team crowns in a row from 1949 to 1952.... Five athletes have won three different events in one state meet. Harry Lamport of Manual Arts was the first in 1916. Lamport won the high hurdles, long jump and low hurdles. The second to accomplish the feat was Frank Wykoff of Glendale eleven years later. Wykoff took both sprints and won the high jump. The other three are Hugh McElhanny of Los Angeles Washington, Jerry Proctor from Pasadena Muir and Gwen Loud of Los Angeles Westchester. McElhanny won the high hurdles, low hurdles and long jump in 1947. Proctor did the same in 1967. Loud took both sprints and nabbed the long jump in 1979.... Manual Arts has the most relay titles with eight, while Pasadena has the most individual champions with 23, including eight 220 yard dash winners.... The Attendance record for the state meet was established in 1979 when 18,000 turned out to watch Bill Green, Mike Sanford, Swen Loud, the Howard Sisters and others at Sacramento's Hughes Stadium.... Clarence "Bud" Houser of Ox-

nard holds the state meet record for six individual titles. Houser won both the shot put and discus three straight times between 1920 and 1922. Charley Paddock of Pasadena is second on the list with five titles. He took the 220 yard dash three straight times in 1916, 1917 and 1918. He also won the 100 yard dash in 1916 and 1918.... Other athletes who have won a state meet event three straight years are Eddie Morris of Huntington Beach in the 220 (1938-1940), Verden Nash of Chino and Huntington Beach in the long jump (1920-1922), Bill Miller of San Diego in pole vault (1927-1929), Les Steers of Palo Alto in the high jump (1935-1937), Reynaldo Brown of Compton in the high jump (1967-1969), Jodi Anderson of Los Angeles Washington in the long jump (1974-1976) and Ann Regan of San Jose Camden in the 880 (1977-1979)....

Berkeley scored an all-time high of 58 points and, for girls, Berkeley picked up another all-time high of 64 points in last spring's state meet where the scoring system was 10-8-6-4-2-1. It was changed from 6-4-3-2-1 in 1980.... In the 1975 to 1980 state meets, Berkeley's girls set a dubious record for dropping the baton in all six meets.... In 1982, Berkeley became the first school to win both boys and girls team titles in one state meet....
