Southern Section

by DOUG SPECK

May 21, Cerritos JC.

It started with the first running event at noon, and ended by flashlight with the Girls Triple Jump after dark. The Meet, the massive Southern Section All-Division Meet, Saturday, May 21st, at Cerritos College. With the best nine in each of four school-size divisions competing for individual and team honors a number of state and nation's finest were in attendance. There is a frustrating tantalization to this meet, where many athletes are separated by division from what could be just super competitions. It is kind of neat in a way, because even after eight hours of track you look forward to the next couple of weeks when everyone will come together in the Southern California Regional and State Meets. Four races in each of the Male and Female Track events are run (hopefully you are a 3200m fan as you sit through eight of them) and all thirty-six field event performers compete in an event at the same time. It is kind of wild and crazy with six hour vault competitions, and all, but it somehow all comes off. The top eight marks from an

event will qualify for the Southern California Regional, hosted on this same Cerritos facility by the L.A. City Section the next weekend. Some interesting situations take place with this top eight going on by marks, regardless of division. For instance, a distance runner in the Small Schools IA division may be short on competition, and have to forgo a pace that is very difficult in a solo manner.

Natalie Kaslawahia (Fullerton HS) is back on top of her Shot Putting after two years of marks in the 50-52 foot range. After edging her own National Record out by an inch to 52-5½ last week in the Pepsi Meet at UCLA as an unattached competitor, Natalie exploded here to a 53-7¼ effort. It was a good end in Sectional competition for perhaps the most dominating athlete in any event at the Prep level in area history. Against high-school competition it is tough to see how Natalie gets up for things, as she won here by ten feet.

Hawthorne continued its area domination, moving out to 3A divisional team titles in a handy manner in both the Men's and Women's divisions. Symbolizing the Cougar domination was their relay efforts, the fastest in the Section over both the 400m and 1600m distances in the Men's and Women's races. Early in the afternoon soph Henry Thomas anchored the Men's short group to a CIF-SS best ever 40-89 win. The winds, which are usually of an aiding, but just legal nature here on this north-south facility, were erratic today, most often into the face of sprinters and hurdlers on the east straight-away. 100 Meter, 200 Meter, Men's Highs and Women's 100m Lows athletes usually go crazy with the favorable conditions, but things were inconsistent this day. SAN DIEGO SECTION

San Diego, Ca--May 21: Morse High junior Yolanda Devers just could be the athlete of the year. Going into the meet she had run just 4 hurdle races and long jumped only twice. She WAS the defending champion at 800 and 400, but she wasn't entered in either of those events. All she did was sweep her four entries, setting section records in three. She long jumped 19'6-1/2", ran 13.9 in the 100 hurdles (second was 15.1), failed to get a record in the 100 ("only" 11.78) and took the 300 hurdles in 43.34 (second was 46.09). That was all on a dirt track.

HAWAII STATE MEET

Honolulu--May 7: Punahou acted like greedy hosts as they easily won the state title on their home track. Punahou had to overcome four wins by Karen Morant (Radford) who took the 100, 200, triple jump, and ran on the winning 1600 relay. Punahou's Jenny Bacon won both distances easily.

NORTHERN CAL REGIONALS

Berkeley, Ca--May 227-28: In northern California, Cory Schubert (Del Mar/ San Jose) demolished the Federation 3200 mark with 10:04.2 as part of her distance double (1600 in 4:44.31) while Wendy Brown (Woodside) and Yvette Bates (Berkeley) provided multiple event talent. Leslie Maxie (Mills/ Millbrae soph) and Monica Taylor (Grant/

Sacramento) came through with double wins, Maxie taking the 400 and 100 hurdles (53.7 and 14.14) to duplicate Knighten's feat in the south, and Taylor duplicating Winston's sprint double 11.93 and 24.61. Brown looked like a multiple winner after the trials, leading the triple with 40'2-1/4" and the long with 19'6-1/4" as well as qualifying in the 100H and high jump. Bates pulled a major upset with a jump of 40'6-3/4" to Brown's 40'1-3/4". The long jump positions were reversed (19'1" to 18'5") and Brown finished second in the hurdles at 14.35 to Bates' 14.50 (4th). CALIFORNIA SOUTHERN SECTION

Cerritos, Ca--May 21: Less than a week after she upped her high school shot put best to 52'5-1/2" at the Pepsi meet, Natalie Kaaiawahia (Fullerton) cut loose with 53'7-3/4". Second place (Pam Alexander of Arlington/ Riverside) was more than 10 feet back but would have won any of the other three divisions that day by 4 feet. Gayle Kellon (Walnut), whose 58.06 400H at the Pepsi was an American Junior record, calmly ran 41.46 in the 300H and claimed the 3A 400 in 54.39 and 100H in 14.67. Despite these 3A heroics, Hawthorne's young team dominated the 3A team race as the 1A, 2A, and 4A divisions took a back seat. Hawthorne lost soph Gayle Wadsworth (LJ/TJ/relays) who transferred to Los Angeles' Crenshaw HS, but what they have left would make most coaches ecstatic. In the 4A division, Millikan parlayed team balance to win that division over sprint-rich Compton.
