## □ May 9

In the prep competition, the Southern Section schools were holding their league finals, while the City Section was holding their quarter-finals. All potential state meet qualifiers appeared to make it through ok.

The community colleges had the SoCal qualifying meet at Mt. SAC with all potential state meet qualifiers advancing safely. Long Beach City gave notice it was ready for the big meets with a sizzling 39.92 in the men's 400 meter relay.

There wasn't too much cooking on the 4-year scene other than the SoCal women's Invitational at Irvine where CSLA and UCLA warmed up for the nationals with relay times of 44.1 and 3:35.7 respectively.

## □ May 16

The track season at all levels began winding down toward completion as the weather, which has kept marks down all season, has finally changed and records are now being challenged. Both the LA City and Southern CIF Sections continued their qualifying rounds with all favorites advancing except San Fernando High's Ronnie Harris, the favorite in the LA City highs who DNQed in his specialty.

In the SoCal community college championships—first in the men's division—Long Beach CC continued its dominance of this meet for the 5th straight time with an overpowering 112-64-56 victory over conference foes Pasadena and El Camino. While there were a number of good marks in this meet, I don't think anyone expected the times which were posted in the 1500, where the first 6 finishers, lead by Moorpark's Steve Fairman's 3:45.6, virtually destroyed their PR's. Steve, who looked totally out of shape when I saw him last year, has now even progressed past the point he was at in high school a few years back when he was one of the CIF's most feared milers.

In the women's division, Mt. SAC, thanks to its SoCal Cheetah connection, was able to power its way past Mira Costa and Cerritos 63-46-44. Between them, Cheetahs Gervaise McCraw and Zeldia Johnson accounted for 58 of the Mounties points, not to mention 3 meet and two national records. The performance of these young ladies makes a strong statement for the girls age group program in SoCal in which clubs like the Cheetahs and Fred Jones' LA Mercurettes have played such a strong part. Both Gervaise and Zeldia, as well as Walnut's Gayle Kellon, have been participating in this program since grammar school.

In the PCAA Meet, Fresno State, even with superstar Matt Mileham redshirting, gave a display of tremendous overall strength in achieving a surprisingly easy 185-157-119 win over UC Irvine and San Jose

State which tied with Cal State Long Beach.

In the CCAA men's competition, there was a question among track fans as to what would life be up at CPSLO after Steve Miller. Well, the Mustangs answered that question with a resounding "great" as they ran away from CSLA, CS Northridge, and CS Bakersfield by a 244-129-116-67 margin. While their distance program may not be as strong as it once was, SLO more than made up for it with 1-2-3 finishes in the high hurdles, high jump, and vault.

In the CCAA women's competition, it was business as usual as CPSLO ran away from CS Northridge and CS Bakersfield 255-118-87.

In the big invitational—first up at Modesto—Carl Lewis came within .01 of the world record in the 100 with a 9.96 clocking. Cowling had a 13.44 high hurdle time which ranks him with the best in the world this year. The weightmen were in exceptionally good form lead by Fresno State's Matt Mileham who popped a 240-4 hammer throw, Mac Wilkins 230-10 in the discus and Kevin Atkins 70-10 1/4 in the shot.

Down at the UCLA/Pepsi Invitational, the big news, of course, was Tom Petranoff's incredible world record javelin throw of 327-2. I say incredible because the throw had such a low trajectory, I never thought it could carry that far. It was a technique quite a bit different than that used by Mark Murro who used to throw those high floaters. Based on Tom's performance, his coach Bill Webb must now be considered among the best, if not the best, javelin coach in the world. Not only is Bill coaching Tom, but while at So. Illinois, he coached Bob Roggy. This gives him the world's number 1 and 3 throwers. In addition Bill's own Paul Kulack set a CCAA record this year with a 257-9 heave. Other outstanding marks were Steve Scott's 3:53.1 mile, Greg Foster's tremendous 13.11 high hurdles run into the wind, and Eric Reynold's 8:09 3000 meters, which moves him into second place on the all-time HS list. Elsewhere in the field were Earl Bell's 18-5 1/4 pole vault and Carl Lewis' 28-1 long jump. On the distaff side Robin Campbell's 1:59.7 800 meters and a 4:21.6 mile by an ailing Mary Decker highlighted the days action.

## □ May 23

It was championship time for the CIF's Southern and LA City sections. In the city meet Antonio Manning was the whole show as he won both sprints and anchored the 400 relay team to a winning time of 41.34 for a winning total of 30 points which was 4 ahead of cross country champ Belmont. In the girl's division Kennedy scored in 10 events to defeat favored Crenshaw and super-soph Choo-Choo Knighten 79-58.

In the Southern section, boys teams from Compton, Hawthorne, Cabrillo, and Perris were divisional winners, while girls teams from Millikan, Hawthorne, Ganessa, and

Louisville were victorious in their divisions. Most spectacular performance of the day belonged to none other than Hawthorne's super soph Henry Thomas who won both sprints and anchored both Hawthorne relay teams to division record-setting times of 40.89 and 3:13.8.

Another person who emerged from the CIF meets as a real superstar, was L.A. Times high school track editor Chris Baker. Chris, who is just about the best when it comes to predicting winners in CIF meets, really outdid himself this time. Not only did he predict the winners of the boys City Section and Southern 4A Section, but in both instances he predicted the correct point total for the winners with Hamilton at 30 and Compton at 42.

In the community college state meet, it was business as usual in the mens division as Long Beach City rolled to its 5th straight title with an overwhelming 93-44-42 win over San Jose City and Taft. Taft is a newcomer to that elite group of state meet track contenders and showed a lot of power in winning the 400 relay over LBCC in 40.0. This may have been what Taft coach Doug Wells was talking about when he said that when the school upped his scholarship allotment to a full 14, he would be able to compete with Ron Allice. However, if Doug wants to stay competitive then he better start doing some additional recruiting as I understand that two members of his 400 relay team have already defected down to Pasadena CC.

In the women's division, Mt. SAC repeated their SoCal performance which was good for a 62-55 win over hos Modesto. Again, the Mounties were lead by the 1-2 punch of Zeldia Johnson and Gervaise McCraw.

In the PAC-10, Washington State, with an awesome display of distance power, notched its first conference championship ever with a convincing 132-87 victory over UCLA and Arizona State. The Bruins had too many weak events to repeat their performance of last year. All together, UCLA was shut out in 8 events. However, the big story was the WSU distance runners. As one reader noticed, I picked WSU for no better than 5th in my pre-season predictions. The reason for this was primarily based on x-country results where WSU was beaten by UCLA, Oregon, and Arizona in PAC-10 track in the 3k, 5k and 10k events. These same WSU runners outscoored the same 3 schools 58-10, 58-8 and 58-1. This just goes to show you that x-country is not always a reliable source for track predictions.

A lot of people have been disappointed with the new all-weather running track at Cal State LA and after my first look at during the LA City Quarter-Finals, I must agree the facility has problems. For one the finish line is on the side of the track,

One national record, another in which the all-time California best was topped, eight events where a 1983 California State best was achieved, interesting North-South battles in a number of events, and a team competition won by California's latest dynasty—the Hawthorne Cougars—were the highlights of the Boys Section of the 6th Annual California State Track and Field Championships. With a move to two-day Northern and Southern regional competitions the previous weekend, this was the first year of a one-day state meet. With five competitors from the South and four from the North it was a finals-only affair. While no one except the Section administrators seem to favor the one-day concept, it was still one heck of a track meet!

This was an interesting race with eight in the field having bests between 47.15 and 48.0. Northern champion Kerry Threats (Westmoor, Daly City) laid down a real challenge through 250 meters, but the field had closed down on his lead as they entered the long straight. From there on in it was not real complicated as Southern Regional winner Larry Walker (Edison, Fresno) put on the same long, smooth move as he had the previous week to edge away in a 1983 State leading 47.03.

pack at 53.7 for 400 meters. McCullouch and James moved past down the backstretch, and the Poly star was the leader through 600 meters at 1:21.9. Kimmie finally edged ahead during a furious homestretch battle, with the ultimate outcome in doubt until the final 20-30 meters despite the 1:50.63-1:51.16 times for the first two. ### ☆ Boys 100 ☆

One of the big North-South battles featured two soph. Quick-starting Steve Jones (Burbank, Sacramento) of the North against strong finishing Henry Thomas (Hawthorne). Jones was in Lane 5 and Thomas in Lane 4. The script was as expected for the first half of the race, with Thomas giving up a couple of meters before his shift into overdrive. The only problem was that the gummy Jones, with

definite lead entering the straight. Jones kept the Hawthorne star honest to the finish, but Henry emerged the winner here 21.02-21.19. Back a ways in third was Berkeley's Ken Henderson in 21.80.

### ☆ Boys 800 ☆

Another classic North-South duel between Kimmie James (Richmond) and Tyrone McCullouch (LB Poly). Tyrone likes to lead, and he took the pack out through a 24.5 200 meter split. The tempo eased as Alfred Burkes (Mt. Eden, Hayward) edged ahead of the massed

Yreka's Jim Frey, the Northern champion at 4:11.59 had ventured South twice in 1983 to seek competition and escape a frigid winter and spring. Jim was soundly trounced at Sunkist (4:25.8y) and was third at Arcadia (4:12.43). The 6'4" Frey towers over his competition, which is what his running also did here, as the poor spring weather probably forced him into a perfectly timed peak. Running tactically a perfect race, Jim eased in behind Jason Flamm (La Sierra, Carmichael) at

62.8 for 400 meters, then was part of a pack on the heels of Ron Harris (Eisenhower, Rialto) at 2:07.4 (800 meters). The key to running the finish out of the highly touted Southern kickers was a third 400 meter segment of 61.9 seconds as Frey jumped into the lead in the middle of the homestretch before the gun was fired to signal the final go-round. A 59.5 final 400 by Frey (2:01.4 last 800) sent him on to a 4:08.82 win ahead of a threesome packed between 4:10.89 and 4:12.29.

Eric Reynolds (Camarillo), the nation's best prep long distance runner, rolls along with such ease and so totally dominates his competition that he falls into one of the strange traps of our sport. Each week he takes on the best a region can toss at him, then casually destroys them. To the average fan it appears a real yawner of a competition, and there is not really the sense of appreciation the Ventura County star deserves. Again going with his constantly accelerating tactic, Eric had Grant Foster (Monte Vista, Cupertino) as his closest company through 69.7-2:20.0 (70.3)-3:26.7 (66.7)-4:32.9 (66.2) splits. Foster proved mortal after that point, and gradually fell back to the second group, while Reynolds pulled away through 65.0-65.4-65.3-66.2 400 meter splits on the way to his 8:54.75 victory. California lacked its large number of super times over the 3200 distance this year partially because of this mid-4:30's first 1600, then build-it-on-in tactic, as there are not many preps with the strength to run 68-69's through four laps, then drop to 66-67's for the next half of the race. Rene Perez (Woodland) finished off a fine season with a 9:04.66 for second.

### ☆ Boys 110HH ☆

A definite Northern strong point, with a foursome from that half of the state under the 14 second barrier a number of times this year. Danny Harris (Perris) was the Southern's best at just over that prep time barrier of excellence. Mark Boyd (St. Mary's, Berkeley) finished off a fine prep career (which included three trips to state in this event) with a domination of the race over the last four hurdles. After a fairly even start with his Northern compatriots and Harris, Mark steadily edged away at the end to a fine 13.93 against a 1.9 meter per second breeze.

Guess what, another classic North-South confrontation. Erik Montgomery (Independence, San Jose) had taken down the national record with a converted 35.66 from yards at San Jose CC during the qualifying process to get here. From the South came Danny Harris (Perris), undefeated, and with probably more 36.0-36.5 clockings in the event than anyone in history. Montgomery came out smoking after a pep talk from quarter mile great, Lee Evans, and Harris was as far down as he had ever been in the hurdles that make up the backstretch. Around the turn the Perris star, who seems to have a body and stride length made for this event, edged up to Montgomery, and on the homestretch pulled away to a win. The time, a pleasant national record 35.52, destroying by far anything run over the route, and putting a fitting California end to the event, as we will go to the 300 meter intermediates in 1984. For real stat freaks, as we send the event to the grave, here are Harris' touch down splits over the barriers—5.6 - 3.6 -3.8 -3.9 -4.1 -4.2 -4.2 -4.5 -1.2 (to finish). Montgomery was second in a fine 36.13, and Mark Boyd (St. Mary's) got up to third in a lifetime best of 36.14.

Edison 400 Relay

### ☆ Boys 400 Relay ☆

In an exciting opening to the men's running events, Edison of Fresno utilized that all-out and a bit daring baton work that borders on tragedy, yet somehow works out just perfectly, on the way to a California State record and all-time Golden State mark of 40.83. It was not an easy victory, as Berkeley was right even through three legs, and Henry Thomas (Hawthorne) screamed down the homestretch from 4-5 meters down to within in-

### ☆ Boys 1600 Relay ☆

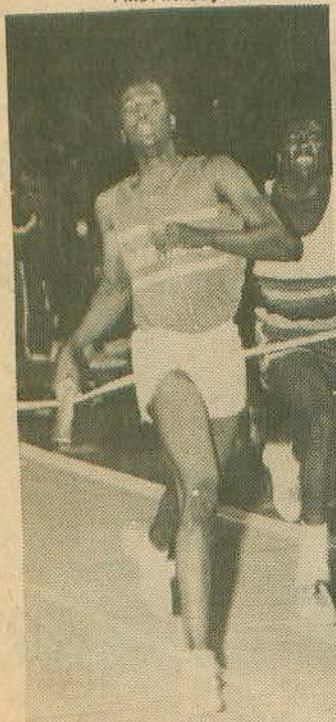

A fitting end to the evening's festivities was an exciting four lap relay. An event dominated by the South, the big question revolved around where certain teams would get the baton to runners like Henry Thomas (Hawthorne), Danny Harris (Perris), and Mark Howard (LB Poly). In the

Southern Regional, Harris had received the stick about ten meters down on Thomas, worked his way up to the Hawthorne soph, and was then run away from in the homestretch during a leg in the high 45 second range. Tonight it was even more interesting, as Harris was only half that far down when he received the stick. Blasting ahead of Thomas as the duo headed down the backstretch, it was a real test for the precocious Hawthorne soph, as lactic acid seems to have no effect on Mr. Harris. Once again the young Hawthorne star handled life on the firing line in an amazing way, as he edged back to, and eventually ahead of the equally determined Harris to win by a meter and a half at 3:10.11-3:10.33. Harris clocked 45.5, Thomas 46.0, while LB Poly's Mark Howard was cranking 45.9 back in third for his 3:13.4 team.

## ☆ Boys High Jump ☆

Maurice Crumby (Balboa, San Francisco) had set a national record at 7-4½ earlier in the season, but had been bothered by an Achilles tendon injury of late. A fine group of jumpers from around the state would challenge the mild-mannered Bay Area star. Four jumpers were over 6-10 during the competition

(Kenny Burke, Doug Drelbelbis, Sean Chambers, and Ted Glatke), with Maurice passing at 8-9, 8-10 and 6-11. Things got interesting when Maurice missed twice at 7-0. A third miss would put Crumby back to 6th place in the field, mildly spoiling his strategy. But as a true champion, the Balboa star cleared on his third attempt by a good three inches, and he was back in the hunt. Meanwhile, Burke was the only one to get past 6-10, as he cleared 7-0 (after passing 6-11), then sailed over 7-1, marking him as among the nation's best ever sophs. Crumby played tactics a bit again at 7-1, passing. Again strategy worked as Crumby sailed over 7-2 on his second attempt, while Burke could not negotiate that height. At 7-5, ¼" over the new national record established by James Loft (Refugio) in the Texas State Meet on May 14, Maurice was not successful, as he closed out what had to be a pretty hectic competition.

In an interesting competition, Soquel's Johnny Cleveland barely made the finals after jumps with a 22-5½ (6th) best, then improved with each jump out to 23-0, 23-4¼, and 24-6½ into a mild breeze to emerge victorious. Canoga Park's Anthony Bailous led the prelims with a 23-11¼ jump, and Inglewood's Henry Green matched that mark on his fourth jump, but lost the second spot with a lesser second best mark.

Mike Kibort (Saratoga) headed South for the second time this season (the first was a fiasco at the Sunkist Indoor Meet), and capped a fine season outdoors with a 16-6 win here. Sailing over 15-2, 15-10, and 16-2 on his first attempts, Mike was over his winning height on his third leap, and had good efforts at 16-9. Melvin Hempstead (Valley, Sacramento) had a gift clearance (he really banged the crossbar) at 15-10 for second.

Curt Siscel (Vacaville), on his way to the University of Washington on a football scholarship, ended the competition here early. After Southern Regional winner John Bender (Shafter) put his first effort out to 60-1, Siscel entered the ring to take his first put in the last flight. Up North Curt has not been used to having anyone close to him, and he made sure that did not happen here as he exploded his throw way past the 60' line to 63-9½—a two and a half foot improvement that squelched the competition right there. Siscel and Bender have to have among the hugest thighs ever seen on prep athletes. Mike Moye (Desert, Edwards), who uses an interesting skip across the ring instead of a glide, edged past Bender into second at 60-3¼.

## BOYS TEAM COMPETITION

Hawthorne, with Mr. Thomas leading the act with his 100 and 200 heroic and anchor relay legs, along with Ron Young's 4th in the 300 meter lows (36.41) was an easy team winner with 40 points. For those who expect things to change a

great deal next year, do not count on it, as besides Thomas as a soph, third 1600 meter relay runner Sean Kelly cranks mid-48 second legs as a soph, and Damon Parham ran in the low 49's as a soph earlier in the year out of the blocks for the Cougars. Coach Kye Courtney's charges disproved the doubters and ran hard the entire season. The big State Meet Team trophy is just reward for a super group who did a super job.

## SoCal Prep Notes

By Doug Speck

★ Coach Billy Paul passed the test as first year successor to Walter Opp at Muir High School, as his Mustangs finished the season 9-0 overall and 5-0 in Pacific League Dual Meets. With a junior-dominated squad the Muir team ran over everybody it met and had a number of athletes continue on through Section competition in fine style. Typical of the work that Opp would do with athletes was what Coach Paul did with first year senior Anthony Miller. A basketball star, Miller worked his way down to the 10'47's in the 400 and anchored the fine 400 and 1600m relay groups. Next year's Muir Men team, led by fine sprinter Ray Brown, could be as good as any in the past few years.

★ Athletes of prominence who fell by the wayside during the season: Gary Brown (Bishop Amat) 47.20 400m hamstring pull, the first round of Sectional competition (by USC bound in 1984), Laura Cattivera (Mil Costa) fine distance star felled by stress fracture late in the dual season. Walnut Darin Moody the victim of scholastic woe James Ferreira (North Torrance), the first hurdler was felled twice with hamstring problems. Tammy Bryant (Ventura) 20' long jumper was the victim of disciplinary action.

★ Los Angeles City athletic coach called for an easing of the scholastic requirement placed on their district by the School Board. 1878 (18.9%) of the students out of the 9930 involved in sports were declared ineligible. Eligibility based upon a "C" average with no failure in a class. The politics of this move has spread to other area districts, and look for athletes in other areas to face this tight edged scholastic axe in the future.

## Perris Hurdler Breaks U.S. Prep Record

By CHRIS BAKER, Times Staff Writer

BAKERSFIELD—Danny Harris of Perris High School set a national prep record of 35.52 seconds in the 300-meter low hurdles Saturday night in the California high school track championships at Bakersfield College's Memorial Stadium. But Harris didn't believe he'd set a record until his time was announced 15 minutes after the race.

"It didn't really feel all that fast, but I can't say I'm not proud," Harris said. "When you get to this level of competition,

everything feels like it's the same, but actually you're moving faster."

Erik Montgomery of San Jose's Independence High had a slight lead over the first five hurdles, the first time Harris has been challenged this year and the only time he has trailed in any race this season. But Harris caught Montgomery just before the last turn and cruised home in first place. Montgomery finished second in 36.13. The old national record of 35.79 was set by Walter Murray of Berkeley High at

the 1981 state meet at Cerritos College.

"Montgomery really pushed me," Harris said. "I guess the first five or six hurdles he was really pulling me."

This is the last time the 300-meter low hurdles will be run at the state meet. Next year they'll run the 300-meter intermediate hurdles, moving into line with the rest of the nation. California is one of the few states which still runs the 300-meter low hurdles.

## 2 More State Titles

# Kaaiawahia Puts a Fitting Finish to Prep Career

By JERRY CROWE, Times Staff Writer

BAKERSFIELD—Natalie Kaaiawahia of Fullerton High won two more State championships Saturday to cap a brilliant high school track career, then said she is looking forward to the challenge of college.

"I think I proved myself to everybody in California how good I am," Kaaiawahia said. "I feel pretty proud."

Kaaiawahia, bound for Arizona State in the fall, won the shotput for the fourth time with a put of 52-7½ and won the discus for the second time with a throw of 170-0.

Only Clarence (Bud) Houser of Oxnard High, a three-time Olympic champion who won the shotput and discus in 1920-22, took as many individual State championships as Kaaiawahia.

No one had ever earned four State titles in the same event.

But Kaaiawahia, who has not lost a high school shotput competition since 1980—when she burst upon the scene to upset defending champion Susie Ray of Villa Park for her first State title—had little trouble adding her name to the record book.

She won both events on her first attempt, then put further distance between herself and her competition on ensuing throws. She put the shot more than 52 feet four times. Pam Alexander of Arlington High in Riverside finished second at 45-2½.

She said she was nervous on her first attempt in the discus—she fouled three times last year in the Southern Section qualifying meet and did not get a chance to defend the title she won as a sophomore—but her throw of 162-1 would have been good enough for her to win by nearly six feet.

Although neither of her marks were State records, Kaaiawahia said she was not disappointed. She has broken the national shotput record four times in her career, most recently at the CIF Southern Section divisional meet two weeks ago with a put of 53-7¾. She also has a national best this year in the discus with a personal best of 174-9.

Her biggest challenge this season may have been keeping herself interested. She did that, she said, by lifting weights more seriously in preparation for next year. She can bench press 205 pounds, more than "most of the boys" at Fullerton.

Of her performance in the discus, Kaaiawahia said, "I think I could have done better. I need a little work on my ending rotation. I'm a little self-conscious about my spin at the end. But I'm just glad that I won."

Of the shotput, she said, "I'm not disappointed. I don't think anybody has thrown over 52 feet four times."

After her first put (52-1½), Kaaiawahia was announced over the public address system as the winner. That didn't seem to faze her, however. Her next two puts were 52-5¾ and her winning 52-7½.

"I felt real proud after my first three throws," she said. After two subpar (for her) puts, she finished up with a 52-6½. "I was pumped up because it was the last throw of my high school career," she said.

Not that she's finished. She hopes to make the Olympic team next year—a put of 55-1½ would qualify her for the trials—but says a more realistic goal is the 1988 Games.

Kaaiawahia, who ranks fifth among the nation's women shotputters, said she is looking forward to college.

"There's a lot of people out there throwing 52-53 feet," she said. "I need the better competition to throw farther."

In the meantime, she'll major in law enforcement at Arizona State and reflect on a high school career that began almost by accident after Fullerton Coach Hugo DeGroot discovered her in the gym, playing volleyball. She was a four-year starter and two-time all-league selection in volleyball.

"I think I've set a pretty high standard, especially for women athletes," Kaaiawahia said. "I'm happy with the way I ended my high school career."

□

Kaaiawahia may be a veteran of State competition, but this was a whole new experience for Cory Schubert of Del Mar High in San Jose.

Schubert didn't seem to show it, however, as she pulled off a difficult double, winning the 3200 meters with a State record time of 10:08.14, then coming from behind in the final 10 meters to win the 1600 in 4:44.93.

Last year, with personal bests of 5:13 and 11:22, Schubert didn't come close to qualifying for the State meet.

"I just changed my entire attitude," said Schubert, a straight-A student who set a national record of 10:04.20 in the 3200 last week and is headed for Stanford next fall. "Running is a really big part of my life now."

"This was my dream, to win two State championships. I didn't really care about my times. I just wanted to win."

Schubert needed a burst of speed at the end of the 1600 to barely nip runner-up Julie Seleine of University High in Irvine (4:45.0) and Paula Bresnan of Kennedy High in Granada Hills (4:45.02) at the tape.

"At the end, I just felt I had more energy," Schubert said. "I kept pushing and pushing. I felt myself getting closer and closer and I said to myself, 'You can't stop now.'"

Harris also led Perris to a second-place finish behind Hawthorne in the 1,600-meter relay with a 45.5 anchor leg. Perris was timed in 3:10.33.

Hawthorne High, led by sophomore Henry Thomas, won the boys' team championship with 40 points. Thomas won the 200-meter dash and anchored Hawthorne's 1,600-meter relay team to a win in 3:10.11. Thomas ran a 46.0 anchor leg. He also finished second in the 100 behind sophomore Steve Jones of Burbank High in Sacramento and anchored Hawthorne to a second-place finish in the 400 meter relay.

Thomas was out of breath after the 1,600 relay. "I'm a little tired, but I'm happy," Thomas said. "We won the team title and anybody would be happy with that."

Jones surprised the favored Thomas in the 100-meter dash. Jones was timed in 10.64, Thomas in 10.66. Jones got a great start, while Thomas looked sluggish coming out of the blocks.

"I figured I just had a bad start in the 100," Thomas said. "That happens sometimes. I'm not disappointed."

In the 200, Thomas got out to a great start and had a big lead coming off the turn. He was timed in 21.02. Jones was second in 21.19. Both runners are sophomores and figure to be back for the 1984 state meet on the Olympic track at the Coliseum.

A state record was set in the first boys running event of the meet, the 400-meter relay. Edison High of Fresno upset Hawthorne as Edison anchorman Darnell Wheeler nipped Hawthorne's Thomas at the tape. Hawthorne was in fifth place when Thomas got the baton, but he almost won the race. Edison was timed in 40.83, bettering the old state mark of 40.86, set by Berkeley High in 1981. Hawthorne was timed in 40.87.

Maurice Crumby, who set a national prep record of 7-4½ in the high jump earlier this season, won his second straight state high jump title, clearing 7-2. He was the only defending champion in the boys' division.

Wendy Brown of Woodside High stole the show in the girls' portion of the meet, setting a national record of 40-3 in the triple jump.

There were three state records set in the girls' division. Cory Schubert of San Jose's Del Mar High set a mark of 10:08.14 in the 3,200 meters without really going all out. Schubert looked like she was saving herself for the 1,600. Last week she set a national record of 10:04.20 in the Northern California Regional meet at Cal.

Schubert brought the crowd to its feet with a gutsy performance in the 1,600. She was in third place with 50 meters to go, but she passed two runners, Paula Bresnan

of Kennedy High in Granada Hills and Julie Seleine of Irvine's University High, at the tape. Schubert was timed in 4:44.93. Seleine was second (4:45.00) and Bresnan third (4:45.02).

Natalie Kaaiawahia of Fullerton High closed out her prep career by winning the shotput and discus. She won six individual state titles in four years, tying a record set by Clarence (Bud) Houser of Oxnard High in 1920-22.

Kaaiawahia broke her state shotput record of 52-4½ with a put of 52-7½. It was her fourth straight state shotput championship. She won her second discus title in four years with a throw of 170-0.

Tonya Mendoca of Mt. Whitney High in Visalia set a state record of 6-1 in the high jump. The old record of 6-0 was set by Karen Lysaght of St. Francis High in Sacramento in 1980.

Sophomore Chewaukii (Choo Choo) Knighten of Locke High also put on a good show, winning the 100-meter low hurdles and finishing second in the 400. Knighten looked sharp in winning the hurdles in 13.88.

Knighten had the lead in the 400 coming off the final turn, but Leslie Maxie of Mills High in Millbrae passed her in the final 10 meters. Maxie was timed in 53.19, Knighten in 53.27.

Lisa Winston of Jordan High in Long Beach was a double winner, taking the 100-meter dash in 11.73 and the 200 in 23.83.

Berkeley won its third straight girls' championship with 29 points. Del Mar High of San Jose and Sweetwater High of San Diego were tied for second with 24 points.
