# M-A boys in good position to win the PAL track title

Menlo-Atherton High School put itself in the favorite's position to win the Peninsula Athletic League boys' track title by qualifying the most runners in Tuesday's trials at the College of San Mateo.

"I think we did a very good job, getting a lot of kids in for points," M-A coach Plato Yanicks said.

"I think we should win the boys' championship. The girls' (title) will be tougher, but they're a dual-meet oriented team."

The PAL finals will be held Thursday at CSM.

M-A qualified at least two runners in all but one running event to have the most runners in the boys' finals. The girls' team did not qualify as many runners.

The Bears also have Roland Anderson, one of the Central Coast Section's top shot putters, leading them in the field events.

The De Anza Athletic League will hold its finals Friday at Foothill College, and the Santa Clara Valley Athletic League will hold its finals Saturday at the same site.

## Track

Mitty's Lisa Bell qualified for three finals at the West Valley Athletic League trials at Los Gatos.

Bell was first in the 100 meters (12.6) and third in the 100-meter hurdles (15.5), and took the eighth and final spot in the long jump.

Seven other Monarchs advanced to Friday's 4 p.m. finals, including Julie Corsiglia (100 hurdles, 100); Dana Kernan (800); Andreen Alvarenga (200, 400); Jaemie Ballesteros (400, 300 hurdles); Debbie Norbutas (300 hurdles, high jump); Cathy Clemens (shot put, discus); and Cathy Norbutas (high jump,

triple jump).

Alvarenga clocked the fastest qualifying times in the 200 (25.5) and 400 (58.46).

The De Anza Athletic League will hold its boys' and girls' finals Friday at Foothill College, and the SCVAL will hold its finals Saturday at the same location.

At the Peninsula Athletic League trials at the College of San Mateo, Menlo-Atherton's boys' team qualified the most runners. M-A is a solid favorite to win the boys' title, which will be determined in Thursday's finals at CSM.
