Lawson wins four; White, Comfort post fine marks

By Fran Errota
Special to the Times Tribune

Karen Lawson woke up at 6 o'clock Saturday morning unable to find a T-Shirt.

She solved that problem by winning four T-Shirts at the Foothill-St. Francis Track & Field Carnival on the Foothill College track with victories in the long jump (17-7), 200 meters (25.4) and legs on the winning 400 meter and mile relay teams for St. Francis High School.

Lawson was only one of the standouts in a meet in which six meet records fell in the boys' division and two in the girls' meet.

Lawson, a junior who has won medals twice in the long jump in the state meet, was not among the record-setters. She made her presence felt, however, in each of her four events.

"It's the first time I've ever won each of the events in the same meet," Lawson said. "And it feels so good to have done in it in our own meet."

"I came out with that goal on my mind and I accomplished it. Now I'm well-stocked in T-Shirts for a while."

Lawson anchored her 400-meter relay team to an impressive 48.8 and ran a 60.4 third leg on the winning mile relay unit, which won in 4:05.2. Running ahead of her in the sprint relay were Joslyn Mack, Jennifer Jackson and Roslyn Mack. In the mile relay, Joslyn Mack

Prep track

started in 60.4. Ameer Meyer followed in 68.8 and Roslyn Mack anchored with an outstanding 55.9 after starting 12 yards behind Los Gatos.

St. Francis will compete in the Arcadia Invitational this Saturday, a meet that attracts virtually all the top competitors in the state.

"We are excited about the trip," Lawson said. "It is kind of a preview for the state meet. I may not be ready for 20 feet in the long jump, but I do hope to reach that goal by the end of the season."

Ben White of Carlmont, who like Lawson was not among the record setters, registered one of the day's top marks with a 23-0 $\frac{1}{4}$ long jump.

White, Carlmont's student body president and headed for the University of Texas at El Paso on a football scholarship, thought he might be ready for a 23-foot leap after soaring 22-9 in a dual meet Thursday. His best previous mark was 22-5 $\frac{3}{4}$ for second in the Central Coast Section finals last year, a mark that led to a 12th-place finish in the state meet.

"I'm happy with my progress," White said. "I had a bad knee last year and couldn't compete at all until the PAL meet."

"I'm thinking 24 feet is possible, but my real goal is to make the state meet finals, whatever mark

The record-setters:
