QUOTES FROM JOHN MCDONNELL: "Overall I was very pleased. I believe we qualified two tonight in Joe Falcon and Jeff Pascoe. We've gotten two out of the way. I was real pleased to see Wayne Moncrieffe win. He's been injured a lot and I believe him winning tonight will be good for him. John Register also had a tremendous meet. Our freshmen did well -- George Jones in the hurdles and John Holmes had a good debut in the mile. I was not surprised to see Falcon hang there close to Frank O'Mara. Joe said he could run with Frank. I didn't think he could stay with Frank's kick but Joe is a good runner."
