Mt. SAC Relays High School Portion

By Doug Speck

April 23-24, Walnut.

The Prep portion of the Mt. SAC Relays, sponsored by Walnut High School on Friday and Saturday was another very fine meet with a number of super performances and exciting competitions right down the line. New National Record holder in the discus, Kamy Keshmiri (Reno, NV) put on another great show, the relay teams from Hawthorne were very hot, Janeene Vickers (Pomona) marked

Fine Flicks by Don Gosney

Kira Jorgenson

her 1987 coming out in fine style, and a host of others added super back up efforts.

Kamy Keshmiri has been as electrifying as any prep in recent Western U.S. history. Edging ahead of the 213-6 All-Time Prep Best by Clint Johnson (Shawnee Mission South, Overland Park, Kansas) from 1980 with a 214-11 at Stanford late in March, Kamy exploded to 224-3 at Arcadia on April 11th when pushed by Dwight Johnson (Tempe, Ariz.) who recorded the #3 prep mark ever at 212-11 in that meet. At the Mt. Carmel (San Diego) meet on the 18th Keshmiri averaged close to 216 feet for his series with a 223-5 best. Here, at Mt. SAC the Nevada hoped to put the record further out of

sight. After a good Shot Put competition on Saturday morning, where Kamy edged Shane Collins (Bozeman, Montana) 63-11½ to 63-0¼, that duo and some other quality people headed over to the discus ring. Kamy improves as the competition goes along, so after a 198-11 and 222-0 opening tosses all eyes in the stadium were glued on each throw. On his third throw he sailed it out to 224-1, just short of his record. Throw number four was a foul, #5 217-8, and #6 222-9. Kamy has raised expectations so that throws farther than any other prep in history are a bit of a let-down. His tosses are still amazing to watch, as his speed, strength, and power transferred to the implement gives it a denial of gravity's pull that almost seems funny. Everyone else's discus comes down somewhere between 150 and 190 feet in a good group, but his seems like it just gets going at that point, finally coming to earth somewhere far beyond what seems you could expect from anyone of the same age and relative size of the other competitors. Kamy's act will be quite visible in the future in Southern California, as he has signed at UCLA for his collegiate throwing under Coach Art Venegas.

The Hawthorne Cougars showed up for some relay action and let no one down with the brand of excitement they are capable of dealing out with stick in hand. Friday, the women's squad of Adienne Thomas (100m), Deandra Wheeler (100m), Deanna Amy (200m), and amazing frosh Kee-Sha Adams (400m), tackled the 800 meter Medley event with some records in mind. The first duo raced 100m segments that averaged under 12.0, with Amy blazing a 24.2 200, and Adams, a silk-smooth quick-striding star, racing a solo 53.7 on the anchor, bringing the squad in at 1:42.0. The National Record is a questionable 1:40.0 by a Woodson of Washington DC team from 1980, with the recognized best a 1:42.12 by Sterling (Houston, Texas) from 1986. The absence of the use of the available Accutrack here at Mt. SAC put the Hawthorne time in that limbo category, where the regular .14 addition to a handtime would make the Cougar mark 1:42.14, just short, but both records will probably be carried by *Track & Field News* due to their confusing nature. Over the 4x100m relay distance the Cougars were upset last weekend in San Diego by a very talented Morse squad. On Saturday, here, there would be another match-up, with no real doubt in anyone's mind that when Hawthorne came to run the squad of Thomas, Adams, Amy, and Wheeler was capable of handling any sprint group in the nation. Morse does have a fine foursome, with Shawnette Sapp (lead-off), Yolanda Fitch (2nd leg) and Kim Matthews (anchor) all top-flight sprinter, with final team member Micala Stennis running a strong third segment. Hawthorne had a slight lead as the two squads raced away from the field heading towards the anchor. Down the final straight it was Matthews surprisingly edging up to and past Wheeler on the run-in, with Morse recording a fine 46.89 (#2 time in the nation behind Hawthorn's 46.35 from earlier in the season) to 47.04 for Hawthorne. At the 4x200m distance the Cougars ran away from the field, recording a 1:40.67 win with the same foursome as raced the previously mentioned two relays. In the other Invitational short relay, the 4x400m, Hawthorne raced a "B" squad, and in the absence of the national leaders, an all-underclass Muir (Pasadena) team continued to improve, here to 3:50.88 ahead of Locke (L.A.) 3:53.7 (ht), Morse (3:54.48), and Dorsey (L.A.) 3:55.94.

Janeene Vickers (Pomona), bothered by a nagging leg injury most of the outdoor season, decided to give it a last big try here before the League and Sectional

continued on next page...

Prep Notes

Mt. SAC, continued:

qualification process began. She passed the test with flying colors, running three races at an amazingly high level for someone who had been held back by injury for quite a long time. Early Saturday morning, at the 300m hurdle distance Vickers would meet a top field, but she looked as good as ever in racing away to a 42.3 nation-leading effort. Looking quick and strong, Vickers was perfect until hurdle seven, where she stutter-stepped her obligatory flight that has always left observers knowing she can run real close to 40.0 with a perfect race. With her lack of competition recently we will forgive her this time.

Laura Ainsworth (Fremont, L.A.) was 2nd in 43.2, with Sharon Manship (Thousand Oaks) 3rd in 43.3. Over 100m on the flat Vickers blasted a top group by two meters, racing 11.89w with a 2.04 meter per second wind at her back. Kee-Sha Adams (Hawthorne) was 2nd in 12.02, with LaShawn Simmons (El Monte) 12.13 in 3rd. Defending State Champion at 100m, Angela Burnham (Rio Mesa, Oxnard), has the chicken pox and did not compete. Kim Matthews (Morse, SD) gave a preview of later relay action with a Race 2 12.14w (+2.05 mps) win. Over 200m Jeneene closed out her day with a blazing 24.17 (+1.2 mps) win, cruising in 5 meters ahead of Matthews (24.62). Under the new state meet schedule one has to wonder how difficult would it be for Vickers to run four individual events. She looked super here.

LaShawn Simmons (El Monte) preceeded her third place in the 100m with a fine 13.81 (+0.01 mps) 100m Low Hurdle win. LaShawn McBride (Poly, Long Beach), who raced a 13.8 hand-timed in a dual meet two days previous, pushed Simmons right to the final hurdle before falling over there, then courageously rose to still finish (in 8th place). Doris Williams (Riverside Poly) finished 2nd in a fine 14.29. McBride showed real heart in heading back over to the High Jump area after her hurdles fall, winning at 5-9 over rival Karol Damon (Redlands) and Cindy Eddy (Basic, Nevada), who tied at 5-7 for second. In the Long Jump, Saturday morning's first event, Simmons had warmed up for the 100m and hurdles with a fine series, capped by a final leap Meet Record 18-11½ (+1.10) to win by a foot over Australia's Rachel Kothe (17-11, +1.05).

Angela Rolfe (Dorsey, L.A.) and Kira Jorgensen (Vista) were the other highlights for the women on the oval. Rolfe, a sophomore, who has been an age-group for a number of years at 400 meters, burst onto the interscholastic scene in a big way here, blazing a 53.68 national leader over Crystal Irvine (LB Poly) 55.12. Simone Cain (Hueneme, Oxnard) gave the 400 a serious try and recorded a 56.82 in a Race II win. Jorgensen, another 10th grader, continued undefeated against the best in the west (and internationally here) with wins on Friday over 3000m (in a meet record 9:36.6) and Saturday over 1500m (at 4:30.88). On Friday Kira showed real tenacity over the final lap in the 3K to edge last year's winner here, Carmen Diaz (Mexico) (9:38.8). The same duo raced Saturday 1-2, with the margin widening to nearly 4 seconds in the 1500 (Diaz 4:34.35). Kim McAllister (Locke, LA) was the 800m winner at 2:14.19, with Shannon Lieder (Clovis) improving to 2:14.72 in third.

The Hawthorne men's relay groups met

outstanding fields in the 4x100m, 4x200m, and 4x400m relays. Muir (Pasadena) was here with fire in their eyes after early season losses, with Taft (Woodland Hills) and the best of the rest around along for the ride. Very simply the Hawthorne teams continued to prove their dominance of the locals with three decisive wins. In the 4x100 (at 1:45 p.m. on Saturday), Travis Hanna, Yki Vallery, Robert Carroll, and Curtis Conway raced 41.04 to handle Muir (41.19) and Taft (41.37). Vallery is the lone Hawthorne senior, with the super soph Conway racing a fine anchor leg to seal the win over Muir and the screaming anchor by Quincy Watts (Taft). In the 4x200 (2:55 p.m. Saturday) Muir was close, but sub-21 second legs by Carroll and Conway with the wind down the homestretch kept Hawthorne out in front 1:25.41 to 1:25.73. So dominant is Hawthorne that their "B" squad (fresh Anthony Smith, soph Kevin Gatlin, Richard Harrison, and Leroy Thomas) had the day's third quickest time at 1:28.97. At the end of a long Saturday (4:30 p.m.) Travis Hanna followed Conway, Carroll, and Vallery with his patented rocket stretch run to seal the 4x400m event in 3:16.84 over Morningside (Inglewood) 3:18.58 and Muir (Pasadena) 3:19.19.

Quincy Watts (Taft, Woodland Hills) emerged here last year with two big sprint wins after pressing defending State Sprint Champion Ron McCree (Madera) at Arcadia. On Saturday morning this year Watts really had to work, as Calvin Holmes (Carson), a footballer who has obviously taken pride in his conditioning for track, rode a 1.89 meter per second breeze to a big first 80 meters before Watts finally squeezed by in the last 10 meters to win 10.52-10.58. Over 200m, with Watts a scratch, the USC bound Holmes ran hard the entire way and recorded a fine 21.43 (+2.00 mps). Ernie Barnes (Monrovia) looked very good throughout the weekend, anchoring a 4x400m group at 49.5 on Friday, then taking Race II sprint victories on Saturday in

10.6 (+0.33 mps hand timed) and 21.62 (0 wind). Paul Peters (Santa Ana Valley) has been laying kind of low this spring, with a lot of wins in Orange County Invationals. Here, against a good 400m group he exploded to a solid 47.34 win, with Patrick Rowe (Lincoln Prep, San Diego) closest at 48.18.

Thousand Oaks took part in a lot of good relay action. A men's 4x800m group cruised to a big solo win earlier in the season in the Alemany Relays at just over 8:00, and here they came fresh and looking for competition. They found it in a strong Rio Mesa (Oxnard) group that was undefeated in 1987 distance relays since the indoor season, with a nation-leading 10:15.70 Arcadia Distance Medley Relay win. Cross Country stars Paul McCarter and Doug Fairman led off and anchored, sandwiching Dave Patterson and Derrick Tadlock in the number two and three positions. Fairman (1:53.2) ran down the Rio Mesa Anchor runner on the final straight, as TO recorded 7:45.78 (a meet record) and Rio Mesa 7:46.08.

Christy Farrell anchored TO's women's 4x1600m (Friday) and Distance Medley Relay (Saturday) groups with four laps legs right at 5:00 as the Lancers recorded fine 21:15.5 (#3 All-Time California team) and 12:18.32 clockings respectively. Staci Leach and Sharon Manship raced strong legs on a TO Shuttle Hurdles team that was an easy winner over Hawthorne 62.45-64.68. The Hawthorne women's 4x800m group ran an excellent 9:26.60 off four legs between 2:20 and 2:24.

Dana Hall (Ganesha, Pomona) continued his fine season of hurdling. The University of Washington bound footballer was a 300m IH winner early Saturday over improving Mark Crear (Rowland, Rowland Heights) 38.1-38.4, then Dana clobbered a few of the barriers later in a 14.34 - 14.62 High's win over Crear. Hall sailed an unofficial 13.7 anchor for a winning 60.47 Shuttle Hurdles team, edging away from Dorsey's fine junior, Ron

Copeland, who anchored his 60.65 squad with a 13.9.

The men's pole vault featured Brent Burns (Acalanes, Lafayette) against a group of five Southern Californians with bests of between 15-0 and 16-0. As usual, Brent sat back while just about all the other combatants eliminated themselves on the way up to his 16-0 starting height. Interestingly, this week Pat Alduenda (Ramona) and junior Tom Parker (Notre Dame, Sherman Oaks) joined Brent in clearances at that 16-0 height, Parker for the first time in a meet. At 16-6 all were unsuccessful, as Burns' timing seemed a bit off this weekend. Parker and Burns were tied on the countback rule, so a jump off commenced at the 16-6 height. Parker missed, Burns cleared, establishing a new meet record, and continuing undefeated during 1987. Dave Swanson (Alemany, Mission Hills) continues to chase his 7-0 clearance of last year as a personal best, but the San Fernando Valleyite is still putting together a sterling season of competitive triumphs in 1987. Here he bested another fine group, clearing 6-10 in a jump-off with Australian Cameron Lucht after both had tied at 6-8 in the regular competition. In the men's Invitational Long Jump Percy Knox (Antelope Valley, Lancaster) had only two fair jumps, one a 23-6 (+1.78 mps) best that moved him ahead of early leader, Australian Albert Juhasz (23-0½, +0.04). In the Triple Jump Darlo Ruiz (Mexico) put together a fine series that had him improve each of his five fair jumps out to 49-8½ (+0.60) to win over Herman McCulloughb (Edgewood, West Covina) 48-11½ (+1.12), soph Russell White (Crespi, Encino) 46-7¼w (+2.46), and improving Dion Tolbert (Etiwanda) 46-5¼ (+0.72).

Jackie Anderson (Mt. Miguel, Spring Valley) won the women's Triple Jump with a fine 40-7 effort. In another of Friday's botch-ups the wind readings for this event were lost. Steve Brand of the San Diego Union was on the field and recalls the 40-7 leap as windy, with an earlier 39.2 jump by Anderson legal (thus establishing a new meet record). Jenny Wheelchel (Agoura) continued her fine season of Shot Putting with a 42.2 win and four puts better than Yvonne Hill (Riverside Poly) in second at 40-7. Michelle Sheaffer (Carpinteria) took the discus in a fine 137-5.

Corona del Mar moved into one of the favorite positions for the State Cross Country titles that will be awarded in the future with a big underclass effort in the 4x1600m men's event. With sophs Greg Shryock (4:25.2), Paul Scott (4:33.8), and Eddie Lavelle (4:20.4) running the first three legs, vet junior Jim Robbins (4:19.5) sealed a win for the Sea Kings at 17:38.9. Aaron Mascorro (Rosemead) was at the center of most of the rest of the men's distance action. Friday, over 3000m, Mascorro outkicked Anthony Williams (Hueneme, Oxnard) 8:41.87-8:42.22. On Saturday morning the Rosemead senior brought his Distance Medley Relay team from far back with a 4:15 1600m anchor to win the invitational race at 10:25.66. A star is being born at the prep level at Carpinteria, as that school features established 1A level top performer Bret Kimpie, but has added National Age Group champion, ninth grader Coley Candaele, who ran well under 2:00 and under 4:05 for 1500m in the eighth grade in 1986. Here, Kimpie and Coley took either end of a 10:28.66 Open level distance medley race win. Those who have seen Coley are all very impressed, and if he were to concentrate on running he could be one of the prep greats.

Dan Gabor (Amador Valley, Pleasanton) had a fine double on Saturday. First, he anchored a Sprint Medley Relay team with an 800m effort close to 1:53.0 in a 3:30.06 Invitational Race win. Later, against a top 800m field he raced a con-

Brian Dameworth of Agoura gets a big surprise in the 3000. But, he picked himself up to finish. Aaron Moscarro was first with an 8:41.87, while Anthony Williams of Hueneme (shown in this picture) was second in 8:42.22.

Prep Notes

trolled 1:54.0 victory. Raul Serratos (Moreno Valley), the defending 1500m champ here, repeated. After a leisurely 2:09 opening 800m Haissam Sabra (Ocean View, Huntington Beach), Jason Lienau (Clovis), and Serratos edged away from the field. In a repeat of last year's finish, Raul rocketed the final 150 meters and came in ahead of Sabra 3:55.95-3:56.11 and Lienau 3:56.29.
