The Qualifiers for the CCS "Top 8" Meet are underlined, with the alternates specified.

Changes were made in these results in the 100 meters and the 65 high hurdles by view of the video (which backed up the failure of the accutrack in some races).

Entry fees for F/S qualifiers are the same as the Varsity Boys and Varsity Girls, which will be included as we verify varsity entries, so you know how much to bring to the meet. Those schools that overpaid at the F/S meet will be credited toward the Top 8.

In the field events, the top 9 qualified for the CCS "Top 8" with 3 alternates listed. We made a mistake in the F/S program, which said we were taking 12 to the final.

Please call in any scratches ASAP. Scratches not called before meet day will be charged. Call scratches in to Willie at (408) 265-1147.

We have one scratch already in the 100, 200, 400, 800, 4x100, and 4x400, which has not been adjusted in the above results.
