**Comments:** Move over Affirmed, Secretariat and other Triple Crown w about to have some company. SILV become the 12th Triple Crown champ. Silver Buck colt showed courage in Derby and Preakness wins and has pared for this by Bob Baffert and G exuding confidence. The trip won't botl victory margin could be greater th expecting. WILD RUSH is the wild card off an impressive victory in the Illinois C beat much that day, but he has only have the early lead and Richard M spoiler last summer, ending Cigar's streak with Dare And Go in the Pacific GOLD was probably best in the Preak will he come back after grabbing a HOUSE has run very well in the first t Triple Crown, but will he stay 12 f doesn't, it will probably be blamed because David Flores took criticism fr after the Derby and Kent Desormeas more after the Preakness.

# Prep track stars battle harsh wind

By Bob Burns  
Bee Staff Writer

Angela Williams thought she was leaving windy Southern California behind when she came to the CIF State Track and Field Championships at Hughes Stadium.

But in the first state meet held north of the Tehachapis since 1987, the wind pulled a fast one on the fastest schoolgirl in the country. Instead of getting another one of those over-the-legal-limit tail winds that dashed her record hopes back home, the Chino High School junior got a friendly reception from 8,500 spectators — and a warm breeze in the chops.

"I knew I wasn't going to pop a magnificent time with the wind in my face," Williams said. "I left one problem for another."

In her two meets leading up to the state meet, Williams ran wind-aided times of 10.98 and 11.15. The national prep record of 11.13, set by Chandra Cheeseborough in 1976, is clearly in danger, and Williams came to Sacramento hoping to get it.

But with a head wind of 1.37 meters per second slowing her down, Williams clocked 11.36 in Friday's heats. It was still the fastest qualifying time by a whopping 0.47 seconds. At this point, the

wind appears to be her only serious opponent.

"Which is something only a select few can say entering today's finals, which begin at 4 p.m. with field events. The first running event, the girls 4x100 relay, goes off at 6 p.m.

"That event might represent the meet's best chance for a national record, if only because there's no such thing as a wind-aided relay. St. Bernard of Playa del Rey clocked in with a sizzling 45.05, the second-fastest time in prep history, trailing only its national mark of 44.91, set last weekend in Long Beach.

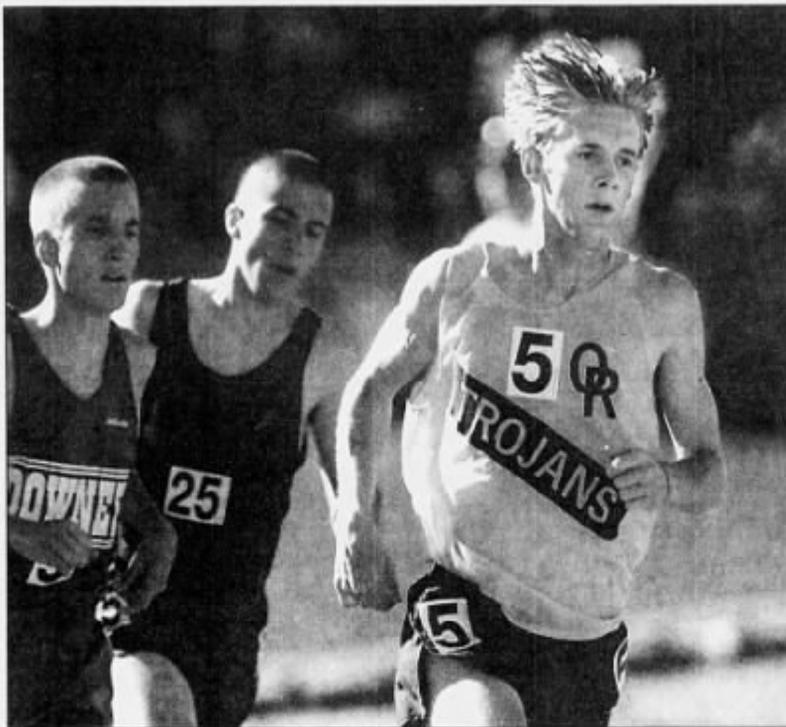

"This track feels like you're running on air," said St. Bernard anchor Malika Edmonson, the defending state champion in the 100. "We think we can bring the record down to 44.5."

Williams and St. Bernard turned in Friday's most outstanding performances in an otherwise sluggish start to the first state meet held in Sacramento - or Northern California - in a decade. Poor organization plagued the last state meet held at Hughes Stadium, in 1987, and Friday's schedule ran an hour behind due to coordination problems between the starters and timers.

"I don't think (the delay) bothered the crowd much," meet director Mike Larsen said. "But we weren't pleased with it."

The Sacramento area's two defending state champions didn't disappoint the home crowd. Laguna Creek discus thrower Chantiqua Ross was the top qualifier in her specialty as well as the shot put, and Placer 800 runner Lindsay Hyatt unleashed a powerful kick to win her heat.

Ross threw the discus (159 feet, 11 inches) and shot put (45-0), giving her the hammer in both finals. She'll throw ninth and last in each

event.

Hyatt won her heat in the 800, moving up several places on the second lap to clock 2 minutes, 12.60 seconds. Her main rival, Long Beach Poly freshman Angella Green, won the first heat in 2:11.64. Green and Hyatt have traded wins this season, and their duel in tonight's final could be one of the meet's highlights.

"My legs felt really tight," said Hyatt, whose best of 2:09.35 leads the nation. "I wasn't my normal self. I hope it's a totally different day in the final."

Feeling even worse than Hyatt was Oak Ridge runner Gavin Chamberlain, the state leader in the 1,600. Chamberlain finished a listless 10th in his heat in 4:34.04, nearly 22 seconds off his best.

"It was one of those weird days," Chamberlain said. "It's too bad it

had to happen at state. In all my other races, I've been able to hold back and really go with 300 meters left, but there was nothing there this time.

Jesuit's Mike Altieri qualified for the 1,600 final with a strong second-place finish in his heat. Altieri clocked 4:19.72 behind the 4:19.30 of Jon Stevens of Mission San Jose.

Anthony Colson from Center High School, qualified for the finals of the long jump and triple jump. Colson, who surprised with a state-best 51-3 in the triple jump at last week's Sac-Joaquin Section meet in Davis, reached 48-10 1/2. He also advanced with a 23-6 effort in the long jump.

Jesuit thrower John Badovinar was third but failed to qualify in the discus with a throw of 176-11, well behind the 199-7 effort by defending state champion Scott

Moser of Huntington Beach. Badovinar was far off his usual form.

The Sac-Joaquin Section's best showing came in the boys 400 meters, where all three representatives won their heats. Eddie Levine of Merced's Golden Valley won the first heat in 46.53, with Atwater's Tony Berrian (47.21) and Del Campo's Mike Kenyon (47.16) took the next two heats. It was a lifetime best for Kenyon.

Julia Stamps, the great distance runner from Santa Rosa, had the fastest qualifying time in the girls 1,600, running 4:55.60. Long Beach Wilson's Kinshasa Davis, advanced easily in the 200 and 400, clocking a fast 52.83 in the longer sprint.

In the team races, Muir of Pasadena and Long Beach Poly should vie for the boys title while St. Bernard and Long Beach Poly battle it out on the girls end.
