Subject: Wilcox-Monta Vista Meet

Date: Fri, 3 Apr 1998 23:14:05 EST

Hank:

Here are the top three finishers in each event in our latest track meet. You've already run against Monta Vista; so, I doubt that you care about the results that much but you may still want to see what happened.

Please do not give these results to any team that we still have to run against. It is okay to give other teams the 97 data and results of the meet between you and us but please do not give out other results that I may give you about us.

I attached an Excel file that I typed these results into in case you are able to read the file.
