

## LA Invitational

continued from page 49

In the Boys' Relays, **Muir** (Pasadena) was again a dominant force. In the 8x160 the **Mustangs** cranked a 2:13.1 to mark their eighth straight win in the event and compare favorably with the marks through the years (the '96 bunch ran 2:09.4 for the Meet, and probably, Prep National Record. Remember that crew ran 40.28 and 40.90 at **Arcadia** with two different relay groups in the 4x100). **Long Beach Poly**, who will keep the Mustangs honest this spring by returning their 40.7 4x100 group, had the day's quickest 4x160 win at 1:06.8 (**McClymonds** was 1:07.6 and **Muir** 1:07.8 in other heat wins). **Taft**, with **Larry** and **Lawrence Jones** book-ending the start and finishing legs, took **St. Mary's** (Berkeley) 3:29.2- 3:29.5 in the quickest 4x440 relay. **Chino** (8:17.3) and **Long Beach Poly** (8:18.8) took the two quickest 4x880 heats.

Mission San Jose's **Jon Stevens**, who ran 4:10 last year to win state, and who has the background and strength from this fall's cross-country season to put him into what should be very close to 4:00 shape, took the Invitational Mile at 4:21.08. **St. Paul's Marcel Almond** was the quickest Boys' 50m hurdle winner at 6.85, and posted a 6-6 for second in the high jump. Brazilian foreign exchange student, **Gerardo Carrasco** (Shafter) took that event at 45-11.75.
