Locals not in top form, but still succeed

By Gregory Gausa

STAFF WRITER

Reedus Thurmond sat by himself. Head down. Arms covering his face.

"I'm tired, man," the Serra senior said.

STATE TRACK

night was last night."

Miesha Withers put her hand to her face, coughed, and could hardly breathe.

"Chest, sinus problems," the St. Bernard senior said. "It's just real bad today."

Imagine what the losers must have looked like.

Because Friday night during the State Track and Field Championships at Cerritos College, Thurmond and Withers were winners in front of 6,220 fans — despite their irritating problems.

Thurmond, as expected, finished first in the discus with a toss of 199-11, meaning he qualified for today's finals.

"I didn't get home 'til 8:30 this morning," Thurmond said, referring to the grad night trip to Disneyland. "Yeah, I threw far, but I was still tired."

Withers, meanwhile, might not have gotten much sleep after her performance. Credit the adrenaline for that.

Withers won her heat in the 100, running an 11.81.

Then she proceeded to easily win her heat in the 200 with a 24.21.

Chino's Angela Williams, who easily won both her heats in those events Friday — 11.31 in the 100 and 23.52 in the 200 — is the next obstacle and the hands-down favorite today.

"We're close friends; almost like sisters," said Withers, who has known Williams since she was 11. "But everyone is making a big deal of it (the matchup)."

The top nine finishers in each event (the running events had three heats), qualified for today's grande finale.

A look at other South Bay standouts:

■ St. Bernard: The Vikings'

girls 400 relay team, still without Miya Edmonson (sore hamstring) ran on. And on and on.

They had the best time (45.81) of everyone, and did it with Withers, Alexandria Washington, Kadrina Coffee and Essence Kendrick.

■ Serra: The Cavaliers' boys 400 relay team had the second-best time (40.93) of the day, and the boys' 1,600 relay team also had the best time of the day (3:14.05).

Senior Desmond McGill qualified in the 400 with a 48.11, and sophomore Warren Rogers the 200 with a 21.22 — good for first place in his heat.

■ Gardena: Senior Kristia Groves, who set a record in the 110 hurdles during the L.A. City finals, was scratched from that race Friday. She pulled up lame in the 100 last week, and decided she wasn't healthy enough to compete.

But junior Raheem Barnes qualified in the 400 with a 47.97, and senior Tyrone Reynolds added a second-place, qualifying finish in the 200 with a 21.41.

Senior Quincy Brown qualified in the high jump with a 6-6 mark, and senior Jimmy Camilo added a 14-8 in the pole vault, meaning he will compete today.

Meanwhile, the boys' 400 relay team of Barnes, Devone Deale, Larry Anglin and Reynolds qualified with a 41.78.

■ Peninsula: Senior Jason Taylor, had the third-best time in the 1,600 with a 4:14.64. He was only .30 seconds from the top spot.

And junior Leora Ward qualified in the pole vault (10-6) after watching Rancho Bernardo's Tracy O'Hara set a state-record 12-7.

■ San Pedro: Sophomore Valerie Flores failed to qualify in the 1,600, but she is in today's 3,200 finals.

■ Culver City: Senior Curtis Nettles finished second in his heat of the 100 with a 10.70.

■ Carson: Junior Machtier Clay qualified in the 100 with a 10.81.

Long Beach Teams Dominate

By JOHN ORTEGA
TIMES STAFF WRITER

Is it possible to set a national high school record and not celebrate it?

It was for the Long Beach Wilson girls' 1,600-meter relay team at the state track and field championships at Cerritos College on Saturday.

The Bruin foursome of juniors Latrice Borders, Joni Smith and Kim Gildersleeve and freshman Lashinda Demus set a national record of 3:36.32 before 11,163 to beat the previous best of 3:37.38 set by Long Beach Wilson in 1996, but they were frowning afterward because Moore League rival Long Beach Poly tied them for the team title by finishing second in the same race.

"It feels good to get the record, but it's not exciting because we should have took state," Gildersleeve said. "This hurts. Nobody beat us but ourselves."

Wilson, which beat Long Beach Poly, 84-74, for the Southern Section Division I title on May 23, was favored to win its second outright state title in three years, but defending champion Poly tied the Bruins with 42 points.

Senior Bumni Ogunleye placed second in the long jump at 19 feet 1¾ inches and sophomore Blessing Ufodiama finished second in the triple jump with a wind-aided 39-6¼ to help Poly win a share of its fifth title in the last seven years.

Gildersleeve led Wilson with a second-place time of 2:10.39 in the 800, but the Bruins didn't do as well as expected in the 100, 200, 400 and 300 hurdles.

Long Beach Poly, led by 100 champion Darrell Rideaux, 200 winner Kareem Kelly and the victorious 400 relay team, totaled 42 points to win its second consecutive boys' title and seventh overall. Gardena Serra was second with 28 points.

Rideaux timed 10.43 in the 100, fellow junior Kelly clocked a yearly state-leading time of 20.76 in the 200 and the Jackrabbits ran 40.45 in the 400 relay.

Senior Angela Williams of Chino, Track & Field News' 1997 girls' national high school athlete of the year, won the 100 in a wind-aided 11.10, the 200 in a national-leading 23.02 and the long jump with a wind-aided 19-7¼ to single-handedly lead the Cowboys to a third-place total of 30 points.

The USC-bound Williams, who

won her second consecutive title in the 100, moved to seventh on the all-time national performer list in the 200 and became only the fourth girl to win three individual state titles in the same year and the first since Marion Jones won the 100, 200 and long jump for Thousand Oaks in 1993.

There were four double winners in the meet.

Senior Jon Stevens of Fremont Mission San Jose won the boys' 800 and 1,600, senior Natasha Neal of Union City James Logan took the girls' 100 high and 300 low hurdles, senior Stephanie Brown of Arroyo Grande placed first in the girls' shotput and discus and freshman Sara Bei of Santa Rosa Montgomery won the girls' 1,600 and 3,200.

Stevens, who clocked 1:52.07 in the 800 and 4:12.58 in the 1,600, became the first athlete to win that double since Earl Lockhart of Sacramento ran 1:59.0 in the 880-yard run and 4:31.6 in the mile in 1923.

An event schedule that has the 800 an hour after the 1,600 makes it an extremely difficult double, but it should also be pointed out that between 1926 and 1969, doubling in distance races was prohibited at the state championships.
