I. TOURNAMENT GUIDE CHANGES--UPDATES FOR NEXT YEAR

This section contains non-major format changes. The CCS Board of Managers will review and, by its acceptance of this report, approve these housekeeping changes. If, at 1st-reading, the Board deems any of these as “Major” changes, it may pull them out and send them back to Leagues for further discussion and review. The item will then be returned to the CCS Board at its next meeting for a 2nd reading and final action.

II. RECOMMENDATIONS

This section includes general recommendations to the CCS Board of Managers or staff that are not Tournament format related. Recommendations are just that, implemented or not at the discretion of the staff or the CCS Board. Acceptance of this Sport Committee Report does no more than acknowledge these recommendations. These are not action items. If a recommendation is to be approved, and/or the Board wants to direct staff to institute a particular recommendation, the CCS Board must pull out and vote upon that specific recommendation.

A. Review of Section Meet

1. Many thanks to Steve Filios and Mark McConnell for a very well run Meet again!
2. Need to look into trash management and lawn care at SJCC.
3. There is a need to monitor the Meet officials for each event to check for understanding and implementation of correct event procedures.

B. State Meet Issues

1. Although paramedics are present, trainers do not appear to be. Coaches would like a trainer available, not just a person handing out ice bags. Communication as to their location needs to be improved as well.
2. State Meet officials need to be more diligent in enforcing the NFHS Rule Book. Inconsistencies were noted, especially in dress code enforcement.
3. Stadium not cleaned after Friday's competition.
4. Security needs to be beefed up at the warm-up area and on the stairs.
5. Schedule for discus and shot put events needs to be addressed.

III. MISCELLANEOUS

This section contains congratulations to Section winners and Honor Coaches or other items the Committee wishes to have recorded in its annual report. Acceptance by the Board of this Sport Committee Report simply acknowledges the items in this section. These are not action items.
