FOURTH ANNUAL W. V. "DOC" RAYMOND RELAYS

Hello Coach:

We are pleased to announce the fourth annual W. V. "Doc" Raymond Relays will be hosted by Live Oak High School on **Saturday, March 24, 2007**. We have a **9 lane** all-weather track, along with the Finish Lynx timing system. Mark McConnell, who also handles timing for the CCS Track Finals, will be managing the timing system. The format will be similar to what Watsonville High did for years.

There will be four divisions: boys and girls varsity; and boys and girls frosh/soph. We will be offering all six field events (both throws, both horizontal jumps, and both vertical jumps), plus ten track events: 4x100m relay; 4x200m relay; 4x400m relay; 4x800m relay; 4x3200m relay; shuttle hurdle relay; 4x400m coed hurdle relay; sprint medley relay; distance medley relay, and the weightman's relay. Relay format will be comprised of four members for the track events and three members for the field events. There will be 33 track events and 24 field events, for a total of 57 events for the day! A flat entry fee of **\$250 for a team school rate** will be charged. Please make checks payable to "*Live Oak ASB*".

Commemorative medals will be awarded to the top three teams in each varsity division, with the frosh/soph division awarding gold medals for the winners, followed by ribbons for the second and third placers.

We will need to limit entries to the first 20 schools that respond to this mailing. This will be on a "first come, first served" basis. For any smaller schools that have participated in the past, we will waive the 20-school limit to permit their limited participation as well. We also offer for the smaller schools a "per event" entry fee. Please contact me if this is something that you are interested in doing.

Upon receipt of your intention to participate, you will be mailed a schedule of events. You may leave a message for me at Live Oak (408) 201-6125, or at my home (408) 847-5564. You may also reply by contacting me via my email address: rundeanrun@verizon.net.

Again, please mark and reserve the date of **Saturday, March 24, 2007** for the fourth annual W. V. "Doc" Raymond Relays!

I look forward to hearing from you in the near future,

Dean C. Raymond
