Info Update

April 5, 2010

Coaches,

Please find attached the updated meet information for the 2010 presentation of the Bill Kearney Invitational. We've made a few adjustments this year, so please be sure to look over the meet info and schedule. Once again we will have a rolling schedule, with the field events starting at 8:30 a.m. and the track events starting at 9:30 a.m. Since the amount of time it takes to complete the track trials varies from year to year, we needed to set a fixed time for the first set of 2 mile runs to give participants a set time for starting the event. The track finals will start no earlier than 11:30.

Hartnell College is currently updating their athletic facilities with the first phase nearly complete on the soccer, baseball and softball fields. All of the changes have greatly impacted the parking availability near the track. The "temporary" lot near the track has been replaced by the softball field. Due to the limited parking around the track, we'd appreciate it if all buses could please park along West Alisal Street or in the Hartnell College Parking lot located on the corner of West Alisal Street & Homestead Avenue. The majority of the parking available is in the adjacent residential neighborhood, the parking lot between the pool and tennis courts and the main lot on the corner of West Alisal & Homestead. The main athlete & spectator entrance will once again be on College Drive. I've attached a basic map of the area for reference.

The entry deadline is Wednesday April 14th at midnight at www.directathletics.com

We look forward to a great meet and hope to see all of you at Hartnell College on April 17th!
