This is a first time event and I am not sure how much interest there will be. Hopefully there will be a good turnout so we can have fun and competitive races. This is a non-sanction CCS event so all athletes must compete as UNATTACHED and not represent their school.

To register please email me:

- Coach's name and contact #
- Your school's name
- Each athlete's name, grade, gender and which events they will compete in. Please indicate the division as well as the event for each athlete for each event.

All checks should be to Andrew P. Hill High School. Please do not mail checks; just bring them on race day.
