Also, the time between the start of the first set of field events and the second should decrease to 1 ½ hours. Discuss when leagues break apart.
 - e) Alternates for sprints & hurdles to League finals - show up or not be eligible for SCVAL?
 - f) Field events- Officials: should be experienced. Per CCS: no warming up at field events until officials are in place and opens up the warm up area. Official needs to stay vigilante during warm ups and competition, keep competitors and spectators in safe area.

- g) Dual meets - prior to meet day, coaches should discuss any changes in meet set up: start time, field event order, etc. Both coaches should agree with changes.
- 10) A few reminders for future meet directors:
- a) All job assignments should be filled, preferable with experienced workers, especially for the throws. There should be a starting line clerk if there is only 1 starter assigned to the meet. The starting line clerk will assist the starter with insuring the athletes are in the appropriate lanes and give last minute race instructions.
 - b) Turn Judges should be assigned for the whole meet.
 - c) There should be a Field Result Checker to verify the results and make sure that they are entered correctly into the computer.
 - d) The Field Event Officials need to review the rules for checking out of an event and competing out of order. Athletes should only compete out of order if they have a conflict with another event.
 - e) For tracks with no curb, cones should be placed on the inner edge of the track. It is best to have as many cones as possible. Check NFHS rules for distance between cones.
 - f) Check for uniform violations at both running and field events.
 - g) Discus is measured to the inch.
 - h) Meet Director should only direct the meet.
 - i) All coaches need to help with meet management; unfortunately we can't just coach our athletes.
