Pursuing Victory With Honorsm

The CIF was formed, and had its humble beginning, during the 1914-1915 school year with only 65,927 high school students in California; it has been estimated that less than 8,000 boys were participating on their high school athletic teams. Today, California high schools boast over 1.8 million students and this past school year over 800,000 students participated in education-based athletics in California.

During the past century, education-based athletics transformed from an important local community event to one that is frequently on broadcast television and the Internet with full-time websites dedicated to recruiting and blogging about teams, student-athletes and coaches. Most however, still refer to education-based athletics as the last "true amateur sport" venue in America, because our mission and value system is based upon the core foundation of student participation, sportsmanship and fair play. While professional sports, collegiate athletics and even most youth programs have moved toward a business model where finances, income and winning is the sole mission, high school sports still remains dedicated to providing opportunities for kids to compete in a safe and fair environment.

Sports add richness to a school culture by providing opportunities for any student who wants them. It is the largest "elective" program on any high school campus. Nationally, and here in California, participation by students in high school sports programs is at its highest level in history proving the desire and need is vast. In the process of deriving enjoyment from

participation in athletics (Number one reason kids play sports: Fun), our students are learning life-long skills that help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom, and have less behavioral issues at school; lower dropout rates and lower alcohol and drug abuse rates, than students who do not participate. The data and the lists of participation benefits are endless.

It is true that we occasionally see acts of poor sportsmanship and behavior by a player or a coach, but the overwhelming majority of school contests reflect the positive elements of Pursuing Victory with Honorsm. True, the goal is always to win the contest, but high school sports, when done correctly, places the value of life lessons, character and sportsmanship ahead of winning. It is this ability of education-based sports leaders to keep athletics in its

proper perspective that helps separate us from the rest.

It is vital that as parents, fans and education-based sports leaders that we remember that less than 2% of our participating students will go on and compete in college athletics. Kids participate in sports because it's fun and the athletic fields and gymnasium classrooms our schools provide gives adults the opportunity to teach valuable lessons that might not be learned in any other environment. Creating life-long skills and helping create better citizens through participation in education-based athletics is the greatest gift we can give to the future.

Help us create an atmosphere where the students of California gain a love of competition and personal growth that will help them mature into productive and caring citizens through their participation in sports. As you enjoy these Championship contests, please help by teaching and demonstrating respect. Displays of good sportsmanship will say positive things about you and your school community, and hopefully remind us all that in the end, sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

Sincerely,

Spectacular Girls' Field Highlights the Excitement For 99th Annual CIF State Track and Field Championships!

National and State Record Holders to be on Full Display in Clovis

By Rich Gonzalez
PrepCalTrack.com Editor

Entering its 99th year, the CIF State Track and Field Championships continue setting the national standard. But this weekend's annual two-day affair, its ninth consecutive at Clovis' Buchanan High School, could evolve into one of history's "all timers."

With a meet roster featuring the national leader in no less than 7 of the 32 standardized boys/girls events, the state's unmatched talent pools will once again be on full display in the Central Valley.

But this year's Golden State collection features a certain something special on the girls' side – something very special.

Five national leaders.... Three state record holders.... Two national record holders!
As the saying goes, "But wait – there's more!"

From the boys 100m meet record coming under serious attack, to perhaps the deepest girls 3200 field ever assembled, to the one-person scoring machine trying to single-handedly win the girls' team title, to the potential for the first father-son combo to win state titles in the same event, to one school possibly becoming the first ever to sweep the top two spots in the 200, to the seemingly unbreakable boys 3200m meet standard facing a full-out assault, to multiple matchups featuring former state champions squaring off, this year's meet features storyline after juicy storyline in a competition downright oozing with anticipation.

Yes, the temperatures will be smoldering this weekend in Clovis, but the track and field action at Veteran's Stadium will downright sizzle!

Arrive with plenty of sunscreen, find good shade, hydrate well throughout, then sit back to enjoy the greatest state meet in the land!

Here's our event-by-event preview of what to look for on championship weekend:

GIRLS SHORT HURDLES/ HORIZONTAL JUMPS

In the galaxy of stars showcased nationally this spring, none has shone quite as brightly as that of Agoura/SS superstar Tara Davis. From the national federation record 13.01 scorcher in the 100 hurdles at the Arcadia Invitational in early April, to the all-conditions all-time state best 22-03.75 long jump at the CIF-Southern Section Finals late last month, to another state-leading (legal conditions) bound in the triple jump, the ebullient University of Georgia signee has been a non-stop human highlight reel. She'll seek state titles in all three events this weekend, adding to her two crowns (100HH and TJ) from a year ago, aiming to become only the second Californian to win multiple state titles in the track events AND multiple state titles in the field events (joining state meet hometown hero Jenna Prandini of Clovis).

Davis has been absolutely without peer in the 100 hurdles thus far, her flawless precision over the 33-inch barriers something to behold. Barring a mishap in rhythm or other type of unfortunate setback, it would leave Sacramento Section standouts Kaylah Robinson of El Cerrito and Jurnee Woodward of Vacaville among those giving chase. But the overwhelming depth statewide this year earns this event the distinction of being the toughest in the meet, where the margin for error is uncomfortably slim. Especially notable is heat 3 of the 100-meter hurdles, known as the 'heat of death' (a term stolen from World Cup soccer's 'group of death' moniker to identify the toughest qualifying set) as three girls in the race own personal bests of 13.90 or faster; in a typical year, that time would win 40 of the 50 state meets nationally!

In the long jump, Davis' stunning leap at the sectional meet smashed Marion Jones' all-conditions state best (Marion still owns the wind-legal standard at 22-

00.50) and her dizzying consistency in the event means Modesto Christian's/SJ Nicole Warwick and Rodriguez's/SJ Katherine Jackson will likely be among those vying for silver. Davis' biggest challenge comes in the triple jump, where Kali Hatcher (St. Mary's College Prep/NC) owns the all-conditions state lead (42-03.00 wind aided) this season. While Davis' best this year is 41-09.00w, she did span a mind-boggling 43-02.00 in 2016.

GIRLS POLE VAULT

The legendary stature of All-American pole vault sensation Rachel Baxter (Canyon, Anaheim-SS) continues to grow, inch by record-setting inch. Competing for a league that doesn't sponsor the event and at a school that doesn't have vault facilities, the defending state champion and 2016 World Youth Championships finalist has defied those types of odds in smashing records yet again this spring. Her latest milestone jump came just last weekend when she successfully negotiated a 14-foot, 4-inch clearance to smash the national high school federation record!! Baxter, a Virginia Tech commit, seeks this weekend to also become the first California female vaulter to capture two state meet gold medals and a silver during her prep career! Clovis North's Brooke Tjerrild aims to ride hometown support in an attempt to derail Baxter's championship plans, already having won the Central Section title on this very same runway two weekends ago while scaling a personal best of 13-05.00. Santa Catalina sophomore Laurel Wong, a likely heir to Baxter's throne, and seasoned Orange County talents McKenna Caskey (Mater Dei/SS) and Kate Thomas (Santa Margarita/SS) are also poised for high finishes.

BOYS POLE VAULT

It's a screenplay made for Hollywood, but it's wholly true. Dad wins two state gold medals, uncle wins another and another uncle

2017 Meet Preview

earns a bronze. Four decades later, son enters postseason as a title contender, only to no-height in the first qualifier. A year later – now in his senior year – the young prodigy returns for a final stab at state meet greatness. That’s the storyline for Redondo Union’s Tate Curran, who arrives here red hot while scaling at least 17 feet in 4 of his last 7 meets, his best being 17-03.00 at the very same meet and venue where he no-heighted one year earlier. Tate’s personal best checks in at 10th all-time in state history, with his dad (Anthony, the state champion at Crespi High in 1977 and 1978) seventh at 17-04.25. Uncles Tim (a then-meet record 16-02.75 in 1973) and Tom (bronze medalist in 1974) also own state meet hardware. Should Tate excel this weekend, the apropos post-event greeting might be “Welcome to the club!” It would also appear to be the only time in meet history that a father-son combo would win state titles in the same event! Newport Harbor’s/SS Ryan Fegan, the lone Californian to defeat Curran this spring, leads a solid list of 16-foot challengers.

BOYS DISTANCES

In one of the most magical seasons ever compiled by a Californian, St. Joseph Notre Dame’s/NC Cooper Teare has stamped himself as one of the Golden State’s all-time distance gods. This year’s national leader in the 1600m (3:58.76 en route), the mile (4:00.16), the 3000m (8:13.37 en route), the 3200 (8:41.46) and the 5000m (14:13.26), Teare has an absolutely pristine ledger in 2017, including a New Balance Nationals Indoors mile title. His decision to scratch the four-lapper to focus on just the 3200 could mean that German Fernandez’s seemingly unbreakable 8:34.23 meet record from 2008 will be under attack! Teare harbors both impressive stamina and nasty finishing speed, so his race-day weapons arsenal is quite lethal. San Luis Obispo’s Callum Bolger, one of the Golden State’s premier multi lappers over the last quarter century, definitely is not one to be taken lightly here while Redwood/NC sophomore sensation Liam Anderson likely

will be the one we’re talking about for the next two years! Bolger chooses his target races well and typically executes race places with effective precision. Anderson is a sensational sophomore-class talent unlike we’ve seen on the California scene as he has all the key checkboxes filled at a young age. With the likes of veteran ace Michael Vernau of Davis/SJ, late bloomer Evert Silva of Fresno/CE and Luis Grijalva of Armijo/SJ, there’s enough talent here to tow double digits into sub-9:00 land! In the 1600, national newcomer Trad Berti (4:10.55 for the full mile) of Paso Robles/SS and Armijo’s Grijalva are the big guns, but the Claremont/SS senior duo of Ryan Renken and Owen Bishop have downright sparkled this year. Belarmine/CC junior Alex Scales has been a competitive monster in the 800 on multiple occasions this year, with several big in-season efforts to his credit. Highland junior Moises Medrano, who has fought hard to scale up the state’s mid-distance hierarchy, leads a deep swath of talented youngsters clamoring for space on the podium!

BOYS SPRINTS/RELAYS

We can bill it as “The Fastest Show-down in 100-Meter State Meet History.” Never before has the meet had two dashers with personal bests of 10.34 or faster collide on the same straightaway. But Rancho Verde’s/SS Isaiah Cunningham (10.32) and Vista Murrieta’s Javelin Guidry (10.34) tote those very credentials, with Riley Washington’s state meet record (10.30) now positioned in the crosshairs! Cunningham has won two of their three prior meetings this season, but Guidry – last year’s Texas Class 5A state champion before the family moved – took victory in their most recent matchup at last weekend’s SS Masters. If Buchanan High can deliver a +1.9 or +2.0 meters-per-second tailwind during the race this weekend, the record could go up in smoke! Yucaipa/SS burner Asani Hampton, among the top juniors in America, will also be in the hunt!

In the 200m, Cunningham (20.84) and teammate Rasaun House (21.18) are positioned to

become the first school in the 99-year history of the meet to sweep the top two spots in the event; Oaks Christian/SS sophomore Christian Moore and late bloomer junior Quoi Ellis of Mt. Carmel/SD seek to thwart those plans. The 400m dash has a sentimental storyline of sorts in the making as Damien senior Zachary Shinnick, the last 13 months of his career smothered by frustrating injuries, has risen from the ashes in recent weeks to grab the statewide lead (46.38) while purring around the curves at a fast-improving rate. Antelope’s/SJ Myles Ellis (6th in 2015 and 4th in 2016) and Long Beach Poly’s Zion Bowens figure to provide Shinnick with his stiffest test.

Rancho Verde is poised to sweep both baton events, which could go a long way in its chances to break the state meet scoring record of 58 points (set by Berkeley High in 1981 back when the scoring format was stingier than nowadays). But the real drama centers on the short relay, where the Mustangs seek to become the first team in state history – and the first one outside of Texas – to break the fathomed 40-second barrier! Rancho Verde, which has occasionally struggled with clean passing in the zone, has already clocked 40.29 this season and the state meet record is 40.24 by Hawthorne HS in 1989. Oaks Christian and Paraclete, two smaller-sized schools that have made it a habit of repeatedly torching their school records this spring, will aim for a monumental upset. In the longer relay, a fully-stocked Rancho Verde squad will be tough for others to handle, as evidenced by its 3:12.17 screamer two weeks ago. Rivals Roosevelt and Long Beach Wilson and notably young squads from Aliso Niguel and Harvard-Westlake will also give chase.

GIRLS SPRINTS/RELAYS/LONG HURDLES

The state’s premier female long-sprint talents are both seniors, but both took very different paths to get here. Carson’s/LA Kaelin Roberts won a state 400m title as a freshman and again as a junior (first at Long Beach Poly,

2017 Meet Preview

then at Carson, both resulting in state team titles as well) while Norco's/SS Shae Anderson has competed largely in the shadows for three-plus years after two school transfers and a home-schooled year added in. Yet both arrive here as featured headliners in perhaps the most anticipated clash on the girls' side. Anderson, who has been a huge national-level noisemaker ever since dazzling at the Winter Championships statewide exhibition meet in February, is an all-around wunderkind with mind-boggling fitness while Roberts is among the strongest dashers in state history. Anderson's 51.99 jaw-dropper at the Mt. SAC Relays remains the national leader in the event this year. Carolyn Wilson from the small-schools national power Oaks Christian/SS program and the North Coast Section duo of Newark Memorial's Alexis Surrell and Bishop O'Dowd's Tierra Robinson-Jones add to the event's firepower as well.

Anderson is then primed to double back in the long hurdles – the 400m/300H event combination is very rare to ever be attempted, let alone never successfully resulting in a pair of state titles – where she may be even tougher. It took a national record performance from U.S. Olympian and New Jersey-based prep Sydney McLaughlin to hand Anderson her sole loss in the event this year despite her 40.41 performance that day at Arcadia making her the seventh-best performer in national history in the event! Vacaville's Woodward leads another all-star supporting cast featured here.

The girls' shorter dashes appear more up for grabs than usual this year, with a quintet of Southern Section girls interchanging atop the statewide leader lists. Serra/SS senior Jasmin Reed (11.57/23.39) has impressed the most this season among the big players, but Calabasas/SS 10th grader De'anna Nowling (11.57/11.44w) has been the hottest of late. Toss in junior Ariyonna Augustine (11.61/23.61) from the juggernaut Long Beach Poly/SS program and Carson's Kaelin Roberts (23.53) and we have lightning in a bottle! Stockdale's Aaliyah Wilson, the Central Section champ in

both the 100 and the 100 hurdles, and Mikayla Scott of Carondelet/NC are leading threats from the north!

The girls' sprint relays will thrill yet again, with the meet-ending 4x400 likely cementing the outcome for slightly favored Carson/LA in the team-title wars! The Colts have yet to unleash two-time state 400m champ Kaelin Roberts on relay duty this post-season, but look for her to power her teammates to big scoring points in the race finale! Sheldon/SJ, the standard of speed excellence in the north, and Orange County powers Dana Hills and Santa Margarita also bring huge talent pools. Carson gets the nod in the short relay as well thanks to a collection of big-meet wins and a state-leading 45.90 to its credit. But don't sleep on Southern Section elites Calabasas (led by De'anna Nowling and Tierra Crockrell) and Santa Margarita (with veterans Lauren Drysch and Nikki Merritt), as they'll rekindle their intense weekly speed rivalry!

BOYS HURDLES

Joseph Anderson's streak of domination confronts its biggest challenge yet, but the Upland senior appears primed for the task as evidenced by last weekend's career-best 13.56 clocking at the Southern Section Masters Meet, extending his unbeaten season in the high hurdles and moving up to #8 on the state's all-time list in the event. Anderson's sheer power and unwasted motion over the barriers poses quite a challenge for his rivals, including superb Northern California stars Deion Lightfoot of Kimball/SJ and versatile Shawn Bettencourt of Golden Valley/SJ and red-hot hurdlers Cameron Samuel of Rancho Verde/SS and Jose Rubio of Los Alamitos/SS. Anderson has evolved into quite an intermediate hurdler as well this spring, with his 36.36 state leader two weekends ago checking in at #12 on the all-time state lists! Long hurdles specialist Aidan Christensen of Los Osos/SS posted a career-best 36.90 last weekend while the aforementioned Samuel and Roosevelt's Anthony Easter are also title threats!

BOYS THROWS

The big local story in the field events is the potential sweep of the boys' throws titles by cousins Jonah and Jacob Wilson, who'll undoubtedly be riding waves of adrenaline while performing in front of hometown fans! Jonah, a senior at Clovis High, stunned everyone with a titanic toss of 221-05 on this very same venue in late April that smashed the state record by more than seven feet! The winds were howling from just the right angle to aid throwers that day as Wilson added more than 20 feet to his prior lifetime best! The case was similar when Oak Park's Robbie Ota belted out a 209-03 launch at a Southland meet two weeks later! While those two have the big marks this year, Clayton Valley's Jeffery Williams defeated them both head-on at the Arcadia Invitational with his own 200-foot-plus toss (205-07) in the only meeting between the three. But... Pittsburg's Iffy Joyner has beaten Williams twice this season in battles between the two NC stars. So, take your pick – it could be a wild one! The tussle for the shot put title should be tamer as Jacob, a senior at host Buchanan, leads the state by more than two feet. Jacob's lone loss in the shot put this season? You guessed it – to his cousin Jonah!

GIRLS DISTANCES

Malibu/SS sophomore Claudia Lane has been the ace of California's distance scene this year, but the Sac-Joaquin Section will counter with a pair of very intriguing wildcards. Lane, the FootLocker Championships winner in cross-country, is unbeaten this spring after prevailing in an "all-timer" showdown against Colorado's Brie Oakley at Arcadia in early April. Lane's nation-leading 9:57.52 in that race is the fastest ever by Californian outside of postseason so she likely has another gear to go! The same could be said for siblings Elena and Maddy Denner of Oak Ridge/SJ, who've come from out of nowhere (well, from swimming, actually) to become national-class talents nearly overnight! The 3200 is downright oozing with potential as sophomore Sylvia Cruz-Albrecht of Oak Park/

2017 Meet Preview

SS, Alexandra Beitia of Granite Bay/SJ, and Lauren Peurifoy of M.L. King/SS are just some of the big names in what could be the toughest eight-lap field in state meet history!

Sonoma Academy/NC junior Rylee Bowen (4:48.44 mile) is the leading pick in the four lapper, the veteran star set for challenges from such Southern Section talents as Capistrano Valley's Haley Herberg and Claremont's Annie Boos. The girls 800 could be one of this weekend's few events with a clear favorite; California/NC of San Ramon's Alyssa Brewer harbors lethal leg speed and stamina for a mid-distance type and she'll joust with 2015 state champ Erica Schroeder of San Marcos/SS and Jacquelyn Hill of Etiwanda/SS in the meet's most physically taxing event!

GIRLS HIGH JUMP

Oaks Christian/SS senior Cassidy Palka doesn't own the state's leading mark this spring, but she holds something wholly more impressive: a state championship ring. The 2016 winner here in a career-best 5-09.00, Palka has somewhat underwhelmed in the major in-season meets for a second year in a row, but appears set to rebound for a charge to the title. Winner of the Masters Meet last Friday, Palka seeks to land the Southern Section its seventh high jump title in the last eight years! But hoooooold everything. Stockdale's Iesha Hamm, the co-state leader at 5-10.00, has been nothing short of big money on most occasions this season and has aspirations of bringing her school its second crown in the event in four years, joining 2014 winner Asia Chesley; it also could become the first school in meet history to have three different girls win the title as Desirae Gonder grabbed the championship in 2005! San Lorenzo Valley's Cassie Ackemann, who cleared a personal best 5-10.00 in dual meet action in late April, has also been ultra-consistent this season to round out a trio of high-end talents.

GIRLS THROWS

After gracefully collecting the first throws state title in San Francisco Section history in 2016, Lincoln's Pamela Amaechi returns with a bit more of a greedy disposition this year. Now she wants two throws titles. Winner of the crown in the discus throw a year ago, Amaechi looms as a bigger threat in the shot put this time around. Her winning effort (47-08.50) at the Serra Top 7 meet is nearly a foot better than her statewide counterparts, including Los Alamitos junior Faimalie Sale, the Southern Section Masters Meet winner. While not courting the state's best mark in the discus throw, Amaechi's return to familiar confines and a steady streak of consistency should bode well for her this weekend. Los Osos' Ashley Anumba tops the seasonal performance list in the discus throw at 170-10; super sophomore Jocelynn Budwig of Fowler/CE aims to upset the form charts while arriving with one of the best 10th-grade marks (169-10) in state history!

BOYS HORIZONTAL JUMPS

A definite air of uncertainty swirls around the runway when trying to handicap the favorite heading into the boys' long jump competition. Rancho Verde's Bryan Thompson (24-03.50) had been riding a wave of momentum in recent weeks after ditching duty on the relay team to focus there, but Sanjay Kettles of St. Mary's College Prep/NC inserted himself prominently into the title talk by tacking nearly a full foot onto his prior best to take over the state lead (24-04.25 legal) last weekend! Senior Matthew DeRoos of Tri-City Christian/SD arrives with the best all-conditions mark, a wind-aided 24-05.50 effort from his league final. The triple jump is a different story as Great Oak/SS junior C.J. Stevenson (49-00.75/50-04.50w) has a double-digit number of bounds this year that are superior to the best mark of the state's next-best jumper. Dorsey's Arrun Palacio (48-02.00w) has stepped up his game to post big career improvements in his last two outings on the L.A. City Section scene. Should Antelope Valley's Tyrese

Dedmon (47-09.50w) prevail, it would mark the seventh time in meet history that the same school won the title in the event in consecutive years, but the first to do so with two different athletes!

BOYS HIGH JUMP

Trabuco Hills/SS junior Sean Lee seeks that elusive top step of the podium after impressive bronze- (2016) and silver-medal (2015) finishes in his prior two outings. Also, a sensational performer in the classroom, Lee (7-00.25 personal best) is in position to become only the second 11th grader to land three straight top-three finishes in state annuals, joining former world record holder Les Steers (Palo Alto, 1935-37). Standing, err – jumping in his way is Alemany/SS senior Earnest Sears, who took second last year and is the only other jumper in the field with a 7-foot clearance to his credit.

TEAM SCORING

While the meet employs a 10-8-6-5-4-3-2-1 scoring system through eight places, the single-division format of the California state meet means it's ultra-difficult to have any single team court multiple scorers, especially across a range of event areas.

Rancho Verde, loaded in the relays and the 200 while contending for wins in the 100, the hurdles and the long jump, is projected as a blowout winner in the boys' team-title battle. Look for the Mustangs to rack up a record number of points (60-plus) while all other teams – Clovis, Upland and Vista Murrieta are next best on paper – will be very hard pressed to score more than 20.

Carson, which has rarely put together its best 4x400 unit this season, could win that event this weekend and, in doing so, likely clinches its second straight team title. The Colts should score in the mid 30-point range. Agoura, on the three-event talents of mega-star Tara Davis, has the projected edge over Serra/SS for the other two team plaques.

#MYREASONWHY *Passion*

I never had a singing lesson, but high school choir taught me I could accomplish anything if I was passionate.

Passion cannot be forced or taught. It comes from within and is what drives me to become a better musician.

Choir allows me to create something that is beautiful, bigger and beyond myself.

ALEXIS Y.

Student from Columbus, OH | Choir, Volleyball

What's Your Reason?

High school activities allow you to connect to yourself, your community and your future. Find your place. Find yourself. Find your reason why.

Legendary Beef. Legendary Quality.

Harris Ranch is proud to offer our customers a product of exceptional quality raised to our exacting standards – *California Grown Harris Ranch Beef.*

Harris Ranch's sustainable, local and home-grown beef helps support our local and regional economies, is better for the environment and reflects our commitment to providing the freshest, most wholesome products.

While most supermarkets offer their customers beef from multiple producers across the country and around the world, when you buy local, California grown beef from Harris Ranch you'll know where your beef comes from.

- *California grown, fed and processed*
- *Grain fed for superior flavor, tenderness and juiciness*
- *Cattle feed tested to ensure it is free of pesticide residues*
- *Finished beef tested for antibiotic residues above USDA standards*
- *California grown by ranching families committed to animal welfare*

CORPORATE CHAMPIONS

Through the CIF Corporate Champion program, these companies provide a direct, positive impact on the opportunities afforded to more than 779,000 CIF student-athletes each year. These corporations are dedicated to emphasizing the role of athletics in interscholastic education by supporting CIF programs throughout the year. So, on behalf of the CIF and our student-athletes, we'd like to extend a big thank you to our Corporate Champions for being a vital part of the CIF family.
