

# WILDCAT RELAYS '18

Coaches,

It's that time of year again, and we are preparing for the 47<sup>th</sup> version of the states' longest running, relay only track meet. This is a great early season test for your teams and will include 25 other teams from the area.

This year we will try entering all of your relays on Athletic.net. For the 4 x 3200m race and all field events, we would like you to enter the names of your athletes so we can post results of their marks back to the site.

You will want to make a copy of your entries as this will help you keep track of your athletes.

\*Please note that the 1600m (4 x 400m) Hurdle Relay event has been changed to reflect CIF Track and Field Advisory Committee ruling to disallow any coed events at track and field meets.

\*\*This year we are NOT allowing extra teams in any event. Only one team (3 members or less) for field events and one team (4 members or less for the 12,800m Relay) for running events. **Please note that we cannot have any combined teams where members of two different schools compete on the same team...as per CCS rules.**

## Awards

Plaques will be awarded to the winning teams in each division as well as the overall combined team champion. Medals are awarded for first through fourth place in the Varsity divisions, and first through third place in the Frosh/Soph division. There will be an awards table where a member of a placing team may pick up their medals as soon as the final results are announced. In addition to placing medals, we will again be giving out awards to the top performer in a field event (and 3200m).

## Entry Fees

Enclosed you will find an entry fee slip that will help you determine your total entry costs. Please mail or fax this with your entries.

Entry fee per division	\$120.00
Individual team entry	\$30.00 per relay event
3 Divisions	\$300.00 max

PLEASE NOTE THAT THE TIME SCHEDULE IS APPROXIMATE.  
PLEASE ALLOW FOR ANY UNFORSEEN TIME CHANGES

**ENTRY DEADLINE IS THURSDAY, MARCH 8**
