2019 El Camino League Final Standings

by [Coach Flatow](#) on Mar 10, 2019 • 4:22 pm

Hank Lawson is not going to post his dual-meet grid this year, so I'm going to try to keep track of the El Camino League dual meet standings on this page. This is EXTREMELY unofficial, so please don't get overly excited if you see a mistake! I will continue to update this page over the course of the season as I find results on line or results are sent to me.

Dual meets count for 50% towards league championships, with the league finals counting for the other half.
