

CENTRAL COAST SECTION Sanctioned Tournaments/Meets Spring 2020

TOURNAMENT DIRECTORS—ALERT!

By hosting a tournament schools agree to insure that all CIF, CCS and NFHS rules and regulations are followed. The approval of your tournament is contingent upon your signature affirming that you intend and are responsible to insure that every aspect of your tournament will be run in compliance with all NFHS, CIF and CCS rules and regulations.

MEMBERS OF DIFFERENT SCHOOL TEAMS MAY NOT COMPETE ON A "JOINT" TEAM AT ANY TIME IN ANY TYPE OF CONTEST. If a school is deficient in the minimum number of players required to play in a contest, you may not allow players from another school to play with them in order to make up that deficiency. You may not allow such a team to forfeit and then play the contest anyway or by calling it a scrimmage or something else. Scrimmages are NOT part of a tournament and should not be considered as a solution to allow a team, otherwise unqualified or ineligible to play per NFHS, CIF or CCS rules in your tournament. However well-intentioned such actions might be, they are a very serious violation of several rules and will result in sanctions against all schools involved (both schools from the combined teams and the schools that play them AND it will jeopardize the future conduct of the tournament at which this is allowed!
