Mr. Hank Lawson
10556 Merriman Rd.
Cupertino, CA 95014

Dear Hank:

Enclosed please find the results from the Houston Regional Corporate Cup Relays held on June 1, 1985.

All times noted were taken by hand.

In addition, the AAA and AA Divisions were organized in a different manner than from the manner originally intended according to Runner's World's explanation for its intended 1985 competition. Instead, Sohio, Dow Chemical and Shell competed locally as AAA Division teams, but would have been AA Division teams pursuant to Runner's World's original national criteria. Any AAA companies' second or subsequent teams were placed in AA/A Divisions.

If you have any questions, please call me. I look forward to receiving your new compilation.

Very truly yours,

Jim
