Part 1.

I apologize for taking so long in publishing the results from the regionals but time constraints at work sometimes dictate spending less time on extracurricular activities. I would like to thank everyone who participated in the Regional Meet for the time and effort they spent in training this year; it showed in your performances.

Meet Summary

Overall HP finished second behind cursed Lockheed by 20 points. Out of seventeen events we finished first 4 times (Submaster's Distance, Women's, Pyramid, and Sprint Relays) and finished in the top three, eleven times. Our "B" team, despite only competing in ten events finished eighth, while taking medals in four events (Women's 800 Team Race, Women's, Pyramid, and Sprint Relays). A few of the highlights include: Susan Spach taking 1st place overall in the Women's 5K while leading our team to a third place finish in the Women's 5K. Sue Colley became only the second woman in HP history to break the magical 60 second barrier in the quarter, while anchoring the Pyramid team to a gold medal. Lloyd Johnson ran 2- sub 50 second quarters, and a 1:55, half-mile to help HP win two golds, and a silver in the Pyramid, Sprint, and 3-Lap Sprint Relays. Bo Davis showed his versatility while helping HP medal in three different events, the Team Jump, President's, and Sprint Relays. Incidentally, the third place finish by the President's Relay was our highest finish ever in that event. So thanks Gary, and Derry for competing this year. Ulrich Kaempf ran the 5K in 18:02 to win his age group's category of the Road race.

Customary Disclaimer

We (the split takers) did the best job we could of getting splits. Hopefully they are accurate, but in some cases, especially the 220 yard splits, where its hard to determine the 220 yard mark from across the track, they may be off as much as a second.

Again, thanks for all your hard work and effort and hopefully I'll see you next year.

Eddie Harris
