Re: City Championship Results

Please find enclosed the results from the City Championship and the Miracle Run held on May 18, 1991.

A number of runners did not pick up their awards following the meet (the last event was called due to rain). Please make a note of these individuals and bring a list to the Regional Meet on June 8, 1991. The Regional Meet will be held at TSU this Saturday (you are all coming aren't you?).

As usual, volunteers are needed for the Regional Meet. Please call Rick Nelson at 757-2572 if you or anyone from your company can help out. Experience would be helpful but is not required.
