

# Martinez Relays

Alhambra High School Saturday March 23, 2007

We were not expecting much today, as it was the third day of consecutive track meets. What we did not know was just how competitive our athletes were. We got more than a few athletes to the line, and we came through with some pretty good marks overall.

The GV took the team title, which was a surprise, and Kelsey Lee was awarded the Athlete-Of-The-Meet for GV. Way to go, Kelsey! We also got 4th in the GFS, 6th in the BV, and even picked up enough points in the BFS to grab 12th.

There were some tired puppies out there today, and everyone was a big groggy from the three-day track binge. We won't see a stretch like this until we get to the Top 8 meet in late April.
