Canyon Middle School

On a very warm day 5 schools met for an informal preseason scrimmage on the challenging Canyon Middle School course. The weather suppressed time times, but the coaches got a chance to see their teams in a competitive mode. The weather and the course were all part of the ambiance.

As with all early season ventures, there were a few glitches. The schedule of races was a bit off, and a point of some confusion. The official clock for the Boys 9-10 race was 1:05 behind, so the times posted at the meet have been adjusted in these results.

Thanks to all the school for attending, and good luck for the rest of the season.

2009 Stanford Invitational: Seeded Boys

Arcadia bests Trabuco Hills in battle of SS powers; Olson win race!

VIDEO

Editor, ESPN RISE/DyeStatCal

(Sept. 26, 2009) – Although the top two teams in the state thus far in 2009 were not in the mix on Saturday, the Seeded Boys Race at the Stanford Invitational clearly had more than its share of heavy hitters. Once the final blows were landed and the scorecards were checked, it was Arcadia High riding the recipe of an outstanding frontrunner and a grouped quartet to down a determined Trabuco Hills squad atop a 26-team matchup that showcased six state-ranked Division I and two state-ranked Division II squads from California as well as a Washington team ranked nationally in three different polls.

Arcadia enjoyed another great race from junior Ammar Moussa to get the team's scoring underway, with the Apaches frontrunner hanging on to race leader Erik Olson before the Novato senior pulled away for a four-second victory, 14:53 to 14:57. By contrast, then-Riverbank senior German Fernandez rolled to a 14:42 clocking and a landslide win over Mohamed Abdalla during his historic run here on a similar layout in 2007.

Trabuco Hills, which finished 48 points and 65 seconds behind Arcadia at Woodbridge last weekend, closed the gap to be 24 points and 52 seconds behind in a larger field here. Mustangs junior Jantzen Oshier, who seemed like a hidden talent early on his sophomore year, came into his own with a sensational race this time out in placing fourth (15:25) and teammate Ryan Herson vanquishing last weekend's subpar outcome at Woodbridge to place second on the team and 14th individually in 15:55.

It appears several teams were also plagued on this big day, whether it be by the dreaded weather conditions -- 98 degrees and 26% humidity at the close of the meet -- or just the nerves. Oak Ridge did very well here to place third as touted out-of-state transfer Nathan Williams was the team's top finisher, with teammate Amjed Aboukhadijeh not far behind (15:51 to 15:54). But the Trojans lacked the depth to challenge for the win, with at least one varsity regular not listed in the results and another suffering a bit of an off day. Fourth-place Davis, which will battle Oak Ridge for the Sac-Joaquin Section Division I crown, finished just six points behind their local rivals despite not having co-frontrunner Corey Coates finish the race as a severe leg cramp caused him to stop with about a mile left. At the time Coates was said to be running stride for stride with Olson,

Ferris HS of Washington, which opened the season as the #1 team in the nation in one poll, took its lumps here to finish in fifth, part of a collection of four teams -- along with Oak Ridge, Davis and Rancho Bernardo -- to finish just 11 points apart. Ferris had several kids run out of their typical order, a condition which plagued almost every top program in the race. Rancho Bernardo led a strong San Diego contingent, with the Broncos topping Rancho Buena Vista (which had usual #2/3 man Scott Gisel finish sixth) and Torrey Pines, 232-257-269.

Also of note, Mountain View of the Central Coast Section, the top-ranked team in State Division II, once again rested out frontrunner Garrett Rowe (tendonitis) in what we were told early in the week would be a race-time decision. Ian Myjer, working toward regaining his top form of a year ago, was more than a minute behind today's team frontrunner (Parker Schuh) while working his way back into race shape. The two minute time gap across Mountain View's first four runners (taking into account when Rowe returns) is an area of concern. Senior Alex McGuirk was far back in the pack. Plugging in Rowe at the front of the race and McGuirk roughly where he'd project, it appears the MV would have placed no higher than third. But there's still plenty of time between now and postseason.

Olson's win had another notch in the belt of the Northern California talent, adding to at least two other high-quality efforts this season. Olson broke nine minutes for 3200m multiple track in track season, but then succumbed to illness down the stretch on the week of the state meet; it'll be interesting to see how many 'throttle' efforts are made before the state meet this fall. Sierra Lutheran of Nevada standout Wade Meddles was stellar yet again in taking third, but finished in 'no man's land' as there was no one within 12 seconds

of him -- either in front or behind -- to challenge him down the stretch. Colorado's Walter Schafer, who won the race a year ago, has already had several top efforts this fall and maaged fifth here. Palo Alto's Philip MacQuitty enjoyed a great showing to place sixth (15:27) ahead of fellow Central Coast Section comrades Paul Summers (15:30) of Gunn and Mountain View's Schuh (15:35).

San Clemente wins team honors while Castro Valley's Santisteban prevails!

Rich Gonzalez

Editor, ESPN RISE/DyeStatCal

(Sept. 26, 2009) -- When San Clemente's new head coach asked that his team be removed from the Woodbridge Invitational sweepstakes race because they were young and not nearly as strong as last year, it raised our eyebrow. After all, on paper they return among the top 10 teams in the state, all divisions combined.

Well, so far the cautious approach is working anyway. The Tritons picked up their second impressive win in as many weekends with a commanding 41-94 decision over a strong Castro Valley team to win the Division 1 race at Stanford, less than an hour before the featured Seeded Race. At Woodbridge, San Clemente performed very well in winning the Rated Race, less than an hour before the featured Sweepstakes Race there. The key note is that all five non-seniors from last year were among the group's top five today, signaling the group indeed has the tools to be as powerful as we expected. Sarah Darby and Molly Mann led the winning team effort, finishing 2-3 in 19:22 and 19:25 respectively.

But it was Castro Valley junior Kelsey Santisteban who earned top individual billing, securing victory in a time in 19:16 that keyed her team's runner-up placing, with senior Elise Wummer (sixth) also scoring low for the squad. Santisteban, who finished just outside the Top 50 at last year's Division I state meet, bested several girls by large margin today who had previous beaten her.

Interview - Molly Grabill (Rancho Bernardo) winner

Race Summary by Mike Kennedy

Division I

Torrey Pines (San Diego) placed three runners in the top eight (scoring 2-4-6) but the real key for the Falcons were the No. 4 and 5 runners. Leading the way for Torrey Pines were Megan Morgan in second at 17:16, Alli Billmeyer, who was third last year, in fifth at 17:46 and Ashlyn Dakhah in eighth at 17:56. But it was Rachel Hiraoka in 73rd (52 scoring) and freshman Kelsey O'Connell in 98th (70 scoring) that proved the necessary advantage. The Falcons won with 134 points—three points in front

of Great Oak (Temecula) and San Clemente. Great Oak secured second based on a higher placing six runner, 47 to 104. The Falcon team time of 91:33 ranks No. 7 all-time on the Woodward Park 5,000-meter course. Great Oak (Temecula) went from fifth to second in the last mile. Great Oak had a team time of 93:07 and San Clemente had a time of 93:21. Torrey Pines had a small lead at the mile with 138 points followed by Buchanan (Clovis) at 159, Great Oak at 160 and Dana Hills (Dana Point) at 167. With one mile remaining, defending champion Dana Hills had taken the lead with 178, Torrey Pines at 180, San Clemente at 186, Trabuco Hills at 194 and Great Oak at 205 but the Dolphins had one of their top five runners not finish and dropped to fifth with 171 points. Warren was fourth with 147 points.

Junior Molly Grabill of Rancho Bernardo wasted little time moving to the front, passing the mile in 5:21. Morgan and Billmeyer were right behind in second and third with Catrina McAlister of Arcadia in fourth and Dadkhah in sixth. Grabill continued to lead at two miles, passed in 10:59 but by that time she had established a substantial lead and went on to win in 17:06 to move into sixth on the all-time Woodward Park list. Morgan was second in 17:16, Alaina Alvarez of Dana Hills was third at 17:39 and McAlister was fourth at 17:42.
