

SECOND ANNUAL WATERMELON RUN

DATE: 9-23-65

DISTANCE: 2.0 MILES

COMPETITION: INTER-SQUAD

TRACK: GOOD CONDITION

WEATHER: HOT, WINDY ON BACK STRETCH

After two weeks of Mr. Renner's "wonder workouts" it came time for a test in order to establish relative rankings among the team. The weather although a little muggy, seemed ideal for a race. With the added impetus of watermelons to swelter on after the trivial distance of two miles was completed, the team was ready to go at it.

In the Frosh-Soph heat, Larry Rentschler ran his first mile in 5:00 and coasted home in 10:32, breaking Gary Hanson's record of last year by 19 seconds. Bill Horan took the cake for the Freshmen with his 12:05, breaking the record of last year held by Vinnie Carter (the great) by three seconds.

After the gun went off in the Junior-Senior race, Rick Rentschler grabbed the lead and held it through the first mile of 5:04 where he was almost immediately passed by Gary Hanson who no-pained it home in 10:06, a new record. Rick Rentschler won the Senior laurels with his 10:23 clocking.
