Trojan Runners Take Cross Country Meet

SAN DIEGO, Nov. 12 (AP)—USC captured team and individual honors in an AAU cross country run over a 5.2-mile course today. San Diego State College teams took second and third and Los Angeles State College was fourth.

Trojan Jim Newcomb was the individual winner, although he virtually ran a dead heat with his teammate, Bob Mitchell. They were timed in 29:3, but officials said Newcomb just edged out Mitchell.
