

Spilman Sets Record As Scots Win

BELMONT — Craig Spilman, who's bidding for recognition as the Peninsula Athletic League's top cross-country ace, set another record here yesterday as the Carlmont varsity trimmed Jefferson, 19-40.

Spilman jaunted around the 1.85-mile Scot course in record-shattering time of 10:40 in defeating Jim Rector of Jefferson and teammate Tom Jent in a blanket finish.

Spilman's old record was 10:51, and all three top finishers eclipsed that one, Coach Phil Arnot of the Highlanders said.

Others helping the Scots chalk up their third straight win were fast-improving Jerry Barney, fourth; Dick Bronson, fifth; Harley Smith, seventh and Gil Werder, eighth.

Jefferson's Dick Poole wound up seventh.

The day's junior varsity race ended in an unusual deadlock, 28-28, as Carlmont's Dick Cooley romped in ahead of the field in 12:48.

Next test for the Carlmont harriers is against Menlo-Atherton and Sequoia Friday afternoon over the Highlander course.
