

Overfelt Invitational at Alum Rock Park  
 Date: 9-28-67  
 Distance: 2.3 miles  
 Competition: 12 schools  
 Course: Rolling with .4 mile uphill in beginning  
 Weather: Smoggy and warm

Being the defending champions in all divisions except Frosh, and having five untested members of the varsity squad, we were a bit unsure of ourselves in this first meet of the season.

The Varsity placed a strong third, boosted to that position by Larry Rentschler and Bill Horan's fine eighth and tenth place performances.

The JV's led by Steve Craviotto jaunted over the hilly course with ease, accumulating a team time of 74:11, beating both the Frosh and Soph teams by a comfortable margin.

The Sophomores, still "coming along"\* were led by Jeff Hammil.

The Frosh ran well for their first meet. Scoring an exciting first place. John Mahan and Rob Blase stuck close together at the front of the pack throughout the 2.3 miles.
