

# CC Looking Good

The Lynbrook Invitational Track meet, held September 22, was a fine opening for our new cross country season. Competing against seven schools, we walked (ran?) off with second place in A Varsity, B Varsity, the Sophomore division, and a first in the freshmen event.

Other schools in the meet included Westmont, Saratoga, Campbell, Lick, Branham, Peterson and Santa Clara. The course being 40 yards short of two miles this year, the competitors can look forward to establishing new records as last year's course was 125 yards shorter.

Clocked at 10:40, Manny Mahon finished fourth out of a field of 48 in the A Varsity Division. In the same event, Greg Pearson took eighth with a 10:50 and Brett Dearing fourteenth at 11:07.

Fifty-three runners competed in the B Varsity. Scott Schlagger came in fifth with an 11:37. Kevin McCoy finished sixth with a fraction off the same time, and Bob Gregory ran a 12 flat

to come in eleventh.

The three top runners in the Sophomore event were Steve DiRoma, second, with a 11:28, Dave Schmidt, fourth at 12 flat, and Bert Stock eighth at 11:09. The field held 42 runners.

The Freshmen made a good showing for themselves in their first competition up against 33 other runners. Paul Skinner took first place with a 12:00 even, Lyn Decker fifth at 12:31, and Steve Hall fifth with 12:42. Sixth and twelfth places were also taken by Lynbrook runners Kevin Deselms and Jim Kachner, clocking in at 12:45 and 13:07.

Coach Verne Thornburg seemed very pleased with the results of our first meet. He named Greg Pearson as being the most improved varsity competitor. He also said that Steve DiRoma, Dan Schmitt, and Mark Henesian did very well for themselves and for their team.
