CROSS COUNTRY
 #1

Saturday
 October 4, 1969

TEAM TRIALS

Six men running under control all the way led the Stanford cross country team as positions were established for the opening meet of the 1969 season next week at Sacramento. On a comparison with last year's performances the team is sound but we have a tremendous task ahead to meet the challenge of our opposition.

Next meet: Sacramento State Invitational, Saturday, October 11. Fresh - 3.8 mi 11:45 am
 Varsity & Braves - 4.5 mi 12:50 pm
