A Stanford sweep and a runaway car were the highlights of the Stanford-San Jose State dual meet at Coyote Park. Seniors Greg Brock and Chuck Menz; junior Don Kardong; and sophomores Robert Coe and Jack Lawson all crossed the finish line together 35 seconds ahead of San Jose's Buck Black. Brian Mittelstaedt was the individual winner in the Frosh-JV race as the Frosh nipped the Braves 33-35.

The major distraction of the day was a runaway car (unmanned) that rolled into the Coyote Park Lake during the final stages of the JV race . . . despite futile efforts by members of the Stanford varsity and the car's owner . . . the car disappeared to the bottom of the lake within a matter of minutes.
