Plato - thanks so much  
for sending all northern Calif.  
team list to me and for  
giving our runners consideration.

I only listed the five in  
the letter that our section  
committee thought were worthy  
of 1st Team honors - Griffin  
ran well in the section but  
the others had been consistently  
better over the season. Also  
his coach thought Boltinghouse  
deserved more attention even  
though he didn't run well  
in the Section - I do believe

that Griffin did deserve  
2nd team honors however -  
but was not aware you  
picked that deep -

Thanks again
