Dear Plato :

Sorry not to have answered your letter a little sooner; but we just had our Oakland City Cross Country Meet yesterday.

Rick Trautner, of Skyline, won all of his dual meet races this year. they were all held in Joaquin Miller Park on a two mile very hilly course.

He won the Championship yesterday on the wet course in the time of 10:29.2 . His best time on this course was 10:20 this past season. The course record is 10:17.5 .

Rick has run the 2 mile this fall on the track , in practice, in 9:39 & 9:41. He is about the only steady performer in the City of Oakland this fall.

Have a Happy Holiday Season.

Sincerely,

*Paul*
