

County Harriers Falter As Lompoc, Burbank Win CIF

11/29/70

LONG BEACH — On a cold, blustery November morning, Orange County's cross-country championship contenders were unable to get untracked as Lompoc and Burbank captured the CIF championships on the 2.1-mile course at Long Beach State.

bank captured the tight 4-A race. San Marino won the 2-A title and St. Bernard romped to thd 1-A championship.

Costa Mesa was the county school with the best shot at a championship. Last week the Mustangs established themselves as a contender and an incredible 2-3-5-6 finish in the semi-finals.

But in Saturday's finals, Burbank and runner-up Arroyo cut deeply into the Mustangs' team balance to dilute Costa Mesa's strength. Bob Gollnick was the Mustangs' first finisher with a 9:49 that was good for eighth.

He was followed by Doug MacLean (8th) at 9:54 and Tom Olswang (23rd) at 10:08. But Costa Mesa's fourth man

checked in at 34th and its fifth runner finished 58th to doom the Mustangs to a fourth place finish.

Burbank's top five runners finished 3-7-13-18-20, while Arroyo first five checked in at 2-11-12-22-26.

Lompoc was anything but a surprise winner. The Braves were defending champions and

they breezed to a 1-5-10-12-21 team finish. Sophomore Terry Williams won the race in 9:39.5.
