Dear Plato:

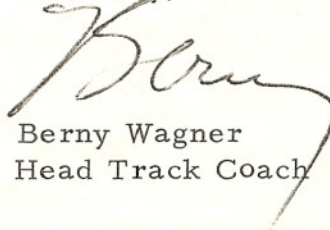

Thanks very much for sending the All-Northern California Cross Country Team listings again this year. I certainly appreciate it.

Enclosed are the 1970 track and cross country brochures.

If you can find a moment sometime, I would be most appreciative of your assessments of Mike Hart, Hans Templeman, and Chuck Mork. If you know anything about their attitudes, workout habits, potential for improvement, etc., it would certainly help me.

Best wishes for a wonderful holiday season.

Sincerely,

Berny Wagner
