

Nolan Shew 1st Runner For Encinal

A cold, windy day failed to slow Encinal's cross-country team, as both the varsity and J.V. squads took first over Richmond and DeAnza on the latter's home course. Nolan Shew of the Jets placed first with teammates Bob Dos Santos, Tony Gordinier, and Joe King picking up the next three spots. John Dos Santos crossed the line in 8th place and Steve Quen was tenth to help the Jets obtain a good score.

Dennis Korte of Richmond came in first in the J.V. race, but Jet runners Mike Frame, Stuart Blank, and Greg Posadas were the next finishers with steadily improving Scott Hale grabbing sixth and Arturo Estrada gaining 8th spot. Illness and student transfers have weakened the Encinal Frosh-Soph squad so that the Jets could not field a team for the race, but Tim Garvin (Encinal's runner-manager) looked good in the race, but, coming in 11th in the time of 12:03.
