

McKinley Runners Win

McKinley School took the overall championship Saturday in the first Redwood City Junior High School Cross Country Championships at Stulsaft Park.

The race, sponsored by the Juventus Sports Club of Redwood City and the RC Rec Department's after school program, drew 99 runners and will be made into an annual affair.

McKinley totalled 393 points in the six divisions (three in both seventh and eighth grade) to post the low score. Hoover was second with 461, while Kennedy won several races but didn't have enough performers to qualify for the championship trophy.
