

SEQUOIA UNION HIGH SCHOOL DISTRICT
INTRA - DISTRICT COMMUNICATION

TO: Mr. Yanicks

DATE: 9/23/70

FROM: Mr. Brooks

SUBJECT: *Mr Brooks*

It has come to my attention that λ of the members of the Cross Country teams participated in a meet Monday illegally in as much as records of physicals and proofs of their insurance have not been recorded with my office. This is a very serious matter and the Menlo-Atherton administration takes a very dim view of your behavior in this matter.

As a representative of the principal in all matters of interscholastic sports, I am requesting that all of the necessary papers for athletes under your charge be on file with my office before they participate in any meet. This statement amounts to a restating of the Sequoia Union High School District as well as the S.P.A.L. policy. May I request you to please not allow an incident of this nature to happen again.
