MEET HIGH LIGHTS:

The MA varsity got off to a good start and led the field for the first half of the race.

Woodside took over midway through the race and defeated MA by 11 points.

Individually, it was a 3 man battle, as Barbour and Yost led Woodside's Peter Marx throughout the the first three quarters of the race. Marx started to pull away with approximately 600 yards to go to win easily with one of the fastest times ever for a junior, 10:53.5

For MA it was another dissapointing loss, as MA was favored to win the meet. As has been the case all season, MA still couldn't come up with its complete first string.

JV RESULTS:

1. MA 25
2. Westmoor 49
3. Woodside 51

CROSS COUNTRY NOTES

This meet was the last home meet of the season. MA has one more dual meet against Capuchino and S.S.F. at Cap. on Mon Oct 26.

This Thursday, MA travels to Golden Gate Park in San Francisco for the first Center Meet of the year.

Most Improved athlete for MA in yesterday's races was Greg Shnell. Greg lacks natural ability, but he loves Cross Country. He gives a lot to the sport, and is getting a lot back.
