

SEQUOIA UNION HIGH SCHOOL DISTRICT  
INTRA - DISTRICT COMMUNICATION

TO: Mr. Murray

DATE: 10/8/70

FROM: John Ott

SUBJECT: Mark Callaway and hair

A freshman, Mark Callaway, came to me and reported that while playing basketball with a band around his head to keep the hair out of his eyes Mr. Yanicks told him that he could be expecting a low grade if he did not get a hair cut. I asked young Callaway if any other words were exchanged and he said no that he and Mr. Yanicks looked at each other and then he went back to basketball.

I told Mark that along with every other student his participation in Physical Education was expected to be exemplary but that the length of his hair is not a condition for a grade. I told Mark that if his parents have any concerns I would expect them to call me. I have discussed this with Mr. Zindell on the telephone.
