

PLEASANT HILL HIGH SCHOOL CROSS COUNTRY BULLETIN # 3.....OCT. 3, 1970.....

The RAM HARRIERS brought home ~~16~~ 22 medals as they hit the award circle three times with team efforts, and once on an individual basis.

Our Varsity finished 4th in the tough Varsity battle as Scott MacTavish led the Ram assault with a fine fifth place in 15:30, good for an individual award. Mark Robinson, last year's runner-up, was felled by a heavy cold and after the first mile could not maintain the pace. Mark finished as one of our top five however. Fermin Baca did a great job in annexing 12th and neophytes Tom Chavez, Tom Fuller, and Glenn Parker, in their first-ever 3 mile efforts did quite well...especially in light of their too-slow paced first mile. Dennis Honda had a good beginning, but the hills were his unraveling. The J.V.s did a great job, led by sophomore Ken Tamplen who will probably go to Varsity in the next meet. The two mile course at hosting Clayton Valley was on the slow side this year...what with long damp grass and the usual traffic jamb behind the gunnery range. Our Frosh-Sophs did not have the manpower to get the job done but our Frosh..running in the Frosh-Soph Reserved section, placed 4th and freshman Alan McDonald looked most impressive. Results:
