The 6th Annual Pleasant Hill Invitational Cross Country Jamboree was undoubtedly the best of the series despite the absence of defending champion Tom HALE of Campolindo and the last minute "NO-SHOW" of Central Valley powerhouse, Cordova High. Not only did the meet feature the North Coast Champion, Diablo High's successful defense of their four titles won last year, but a highly successful introduction of the collegiate forces left both the high school athletes and coaches as well as the large spectator group thoroughly impressed. Due to the rains of the night before, the course was somewhat slower..yet Chris BOURKE of Livermore just missed the Fresh-Soph record by nine tenths of a second while Canyon High's Ron LUSCHAR missed the J.V. mark by only 5 seconds. Special Varsity winner, Diablo's Brian KING recorded the second fastest time ever in the meet's history...and the third fastest ever recorded on the Ram's 6 year old course, site of 1 DVAL and 1 North Coast Championship meet as well as numerous other duals, etc. Diablo, in winning the George Kennedy Memorial, matched the hosting Rams for Varsity titles as the hosting Rams maintained their unbroken skein of never finishing out of the top 3 in the meet's history. Wales contribution to the USA, Bob MAPLESTON, played a cat and mouse game with the famed Gerry LINDGREN, who had only two days in the past two weeks due to an Achilles tendon problem, only to pull away in the final mile and win in a most impressive 24:23...going through the two mile in 9:38!!

CONDITIONS: SUNNY - 70 deg. DAMP surface. CALM. 600 athletes. Spectators-1000 plus.
