

WARRIORS WROMP

Today's meet with vaunted Ygnacio Valley might well have been a "super" meet...but such was not the case in light of the anti-climax feeling from last Saturday's effort in our own Invitational plus a "run-down" feeling on the part of several runners...the Rams ran this one was a "matter-of-fact" meet....something one cannot do if they expect any degree of success against such a power as Ygnacio. Actually...this was for the best since it will be the LEAGUE, DIVISIONAL, and hopefully the NORTH COAST FINALS that require an ALL-OUT physical and mental effort on our part.

The Varsity race found all 7 Rams runner their seasonal best with 4 running their lifetime bests!!

The Junior-Varsity was a victim of strategy. Ygnacio legally moved their #6 and 7 men down to J.V.s while the Rams kept their #6 and 7 man up. We did this since we felt that it was imperative to run our best possible up for comparison sake since next week is league meet time.

Our Frosh-Soph were bombed by the team which placed 3rd in last Saturday's Modesto Invitational...however two frosh...Alan McDonald and Bruce Connelley showed great improvement as both moved up on the all-time FROSH board.
