The Pleasant Hill Invitational was originated in 1965 by Coach Bob McGuire in a quest to offer to more local schools competition on four levels, encouraging participation in as many of these divisions as possible by each and every school.

In 1968, a special SELECT VARSITY division known as the GEORGE KENNEDY MEMORIAL run featuring the top six prep varsities was initiated. This has been the feature of the meet, with last year's 1-2-3 finishers repeating that identical order a month later in the North Coast Section CIF Championships!

This year, yet another innovation is being offered. A United States Track & Field Federation sanctioned 5 mile run for colleges is this being offered in the hope that today's prep runner can become better acquainted with his senior counter part.

* GEORGE KENNEDY..Member of 1963
 * N.Coast 5th place team..10th in
 * U.S.A. Capt. of 1964 Team. He
 * was one of the Rams most unselfish
 * members who overcame some of
 * the most impossible odds. Unselfishly,
 * he gave his life in the autumn of
 * 1967, to aid a fellow human. It is
 * only fitting to commemorate one who
 * gave so much so readily.
