WHO QUALIFIED FROM REGION II TO CCS FINALS

Heat # 1	small school frosh-soph	Monte Vista & Peterson
Heat # 2	large school frosh-soph	Lynbrook, Homestead, Wilcox, Gunn, Cupertino plus Matt Logan of Cubberly as an individual.
Heat # 3	small school varsity	Santa Clara & Menlo School for Boys
Heat # 4	large school varsity	Carlmont, Awalt, Los Altos, Homestead, & San Carlos
Heat # 5	junior varsity	Carlmont, Awalt, San Carlos, Lynbrook, & Los Altos
Heat # 6	frosh	Homestead, Lynbrook, Carlmont, Los Altos, & Woodside. individuals are:

Stacy Gerkin of Wilbur JH  
Mike Larson of Fremont

Please note the following: After talking with the spotters on the course, the boys who indicated that schools were on the course, and reviewing my Region II Meet information sheet to you, I decided the following:

Homestead JV team to be disqualified  
San Carlos Frosh team to be disqualified  
Sequoia Frosh team to be disqualified

REASONS:

I was first told of Homestead & Sequoia on the course during the JV race. This was later indicated to me by spotters. Homestead had a team in JVs and was disqualified. Sequoia did not so its next race (frosh) was. When the spotters return after meet, they indicated that San Carlos was on course as far as they could tell only during frosh race. This appears to be the case, so San Carlos Frosh were disqualified.

*before* Please do not have boys on the course at Golden Gate Park 30 minutes ~~before~~ and during the races. Don't put Ed Costa in the same boat I was in last night. No one likes disqualifying individuals & or teams. Please for Region II, lets all be off the course and run our hearts out to put Region II number one.

Thanks for your cooperation. The Park & Recreation people would like everyone know that all the cross country people in this area are number one with them. They stated that it as a pleasure to have us there.
